

Watershed Stewardship Center 2026 Fall/Winter Service-Learning Position

Position Description

The Watershed Stewardship Center internship provides a unique opportunity for hands-on experience in environmental education and interpretation. The intern will work closely with experienced naturalists to engage guests and students in meaningful experiences that inspire a lifelong love of nature.

Schedule

- Fall/Winter (September-December)
- Flexible duration and weekly commitment
- Weekdays or weekends, hours may vary due to center/program needs
- 1-2 Available Positions
- Watershed Stewardship Center (West Creek Reservation)
2277 West Ridgewood
Parma, OH 44134

Responsibilities and Requirements

Key Responsibilities and activities may include (but are not limited to):

- Assisting in maintaining the nature center's live animal collection and displays
- Joining naturalist on guided nature hikes and interpretive programs on Cleveland Metroparks trails
- Participating in outreach and community engagement events
- Participating in special events at WSC or other nature centers in the park district
- Assisting in the development of nature-based educational programs for nature center guests, including school groups, families, and adults
- Helping to create and update educational materials, displays, and resources
- Fostering a safe and including learning environment that encourages curiosity and exploration

Requirements

- Applicants must be 18 years of age
- No required degree/focus area, but a biology, education, or parks and recreation career path preferred
- Access to reliable transportation
- Ability to volunteer in various weather conditions
- Able to follow tasks, duties, responsibilities, etc., as assigned
