

2024  
Cleveland Metroparks  
Emerald Necklace Travel Golf League

Now in its 14<sup>th</sup> season, Cleveland Metroparks will offer a golf league, meant for adults, which will utilize Cleveland Metroparks Golf Courses, late April through late September, on Tuesday mornings. The league will rotate playing 18 holes at Ironwood, Manakiki, Shawnee Hills, Sleepy Hollow, Big Met, & Seneca.

There is a \$30 registration fee to join the league. Green fees will be paid upon arrival at each host site. League members, age 60 & above, will pay the senior rate. League members, age 18 to 59, will pay the regular weekday rate. Rental riding carts and pull carts are optional and to be paid also upon arrival. League members are encouraged to join the Cleveland Metroparks Bonus Rounds program (20% Off Every Greens Fee). The Bonus Rounds program costs \$30 annually, in addition to multiple other benefits.

Each league member may select one partner with whom he/she may always be paired. It is recommended to select a partner who matches the desire to walk or ride. Other members of the foursome will be randomly selected.

The league will offer a season-long point competition. Each week participation points will be available. Once a league member establishes a target score (average), he/she will shoot for “playing” points. Players will receive two points for every stroke below his/her average and lose one point for every stroke above. The league will have a first and second half season and will conclude with a tour championship. In general, USGA rules will prevail, with a number of exceptions.

The planned communication for this league (starting times, results, standings, news, etc.) will be provided through the use of email. It is necessary that each league member, or at least one of the partners, has access to email.
