

Adventure University – in partnership with Cleveland Metroparks and Baldwin Wallace University

March 21, 2020 – Baldwin Wallace University, Lou Higgins Center, 136 E. Bagley Road, Berea

Guests to Adventure University have a chance to sell or purchase some lightly used active, outdoor recreation related equipment through Consignment or Used Gear. This provides a great way to sell some of your equipment, while giving others the chance to pick up the equipment needed to try out a new adventure or find a new piece of gear. Backpacking, camping, cycling, canoeing, fly fishing, kayaking, mountain biking, stand up paddleboarding equipment and related gear is the focus of the used gear swap, so gather up your gear and come to Adventure University!
