SCAVENGER HUNT

Create Your Own Scavenger Hunt with Clues!!!

1. Pick an animal that is “lost in the woods.” Preferably one you have a stuffed animal of.
2. Create clues that take you to a spot with another clue. Clues can be on brightly colored paper.
3. Last clue takes you to the animal in the woods.

Example Clue:

I eat seed when the sun goes up
And when it goes down
Do you see the next clue
By the wall on the ground?
