5. **Christina F. Londrico, Esq., LLC** and other needed attorneys for **criminal prosecution services** at the rate of \$80 per hour.

**MINUTES OF THE  
BOARD OF PARK COMMISSIONERS  
OF THE  
CLEVELAND METROPOLITAN PARK DISTRICT**

**DECEMBER 18, 2025**

The Board of Park Commissioners met on this date, Thursday, December 18, 2025, 8:00 a.m., at the Board's office, 4101 Fulton Parkway, Cleveland, Ohio.

The roll call showed President Yvette M. Ittu, Vice President Dan T. Moore, and Vice President Bruce G. Rinker to be present. It was determined there was a quorum. Chief Executive Officer, Brian M. Zimmerman, Chief Financial Officer, Wade Steen, and Chief Legal and Ethics Officer, Rosalina M. Fini, were also in attendance.

**APPROVAL OF MINUTES.**

**No. 25-12-176:** It was moved by Vice President Moore, seconded by Vice President Rinker and carried, to approve the minutes from the Regular Meeting of November 20, 2025, which were previously submitted to the members of the Board, and by them read.

Vote on the motion was as follows:

Ayes: Ms. Ittu, Messrs. Moore and Rinker.  
Nays: None.

**FINANCIAL REPORT.**

Chief Financial Officer, Wade Steen, presented a Comparative Summary of Revenues & Expenditures 2025 vs. 2024 Year-To-Date, and for the Month Ended November 30. Also provided is a Schedule of Accounts Receivable and Investments, which along with the Comparative Summary is found on pages 105424 to 105431.

**ACTION ITEMS (cont.)****(b) Authorization and Revision to Change Fund and Petty Cash Fund**  
(Originating Source: Wade Steen, Chief Financial Officer)

Cleveland Metroparks has a need for a Change Fund to be able to operate revenue-producing amenities. Additionally, the Park District has a need for a Petty Cash Fund to be able to make emergency cash and other necessary purchases (in accordance with the Petty Cash Administrative Procedure). State auditors require that the Board of Park Commissioners reauthorize existing, and approve revisions to, Change and Petty Cash Fund amounts.

Therefore, Cleveland Metroparks is requesting that the Board of Park Commissioners authorize a revised Change Fund of **\$88,950** and a Petty Cash Fund of **\$40,250** distributed as follows (edits or updates are indicated by ***bold italics***):

**Change Fund**

**ACTION ITEMS (cont.)****(c) 2026 Appropriations Budget**

*(Originating Sources: Wade Steen, Chief Financial Officer/Brian M. Zimmerman, Chief Executive Officer)*

According to State statute, the Board of Park Commissioners must adopt Cleveland Metroparks' 2026 appropriations budget on or before December 31, 2025.

Budget proposals were submitted by each of the Chiefs for their respective departments. A comprehensive budget was compiled considering operations for 2026, covering the entire span of the current tax levy.

A summary of the budgeted appropriations for 2026 are as follows:

<b>CLEVELAND METROPARKS Appropriation Summary - 2026</b>

## **ACTION ITEMS (cont.)**

Additionally, pursuant to Article 4 of its By-Laws, the Board of Park Commissioners shall fix the compensation range for all employees. To account for increases to the State of Ohio minimum wage, cost of living increases, and to maintain market competitiveness, it is recommended that the 2026 budget approved by the Board include the following:

- A Regular Employee compensation range from \$5.50/hour (tipped employee minimum) to \$381,903/annual for 2026, plus other benefits such as life insurance, deferred compensation, and/or continuing education/training, and
- An Intermittent Employee compensation range from \$5.50/hour (tipped employee minimum) to \$40.00/hour for 2026.

**No. 25-12-179:** It was moved by Vice President Moore, seconded by Vice President Rinker and carried, to approve the 2026 proposed appropriations budget, as reflected above, inclusive of the fixing of the 2026 compensation range for all employees.

Vote on the motion was as follows:

Ayes: Ms. Ittu, Messrs. Moore and Rinker.  
Nays: None.

**(d) *Single Source(s): Surplus Declaration(s), Auction Approval(s):***  
***A) Declaration of Surplus Equipment/Vehicles for 2026 and Sale through GovDeals;***  
***B) Permission for "Live" Auction (Fall 2026); and,***  
***C) Single Source #6994 – 2026 Purchase of Used Vehicles and Equipment through Auction(s)***  
*(Originating Sources: Joseph V. Roszak, Chief Operating Officer/Michelle McHale, Director of Procurement/Mike Wegas, Fleet Manager)*

### **A.) Surplus Declaration**

GovDeals is an online clearinghouse for government surplus property. It provides a means for government agencies to post items for sale and for potential buyers to bid upon these items via an internet-based auction system. Recent results are as follows:

	2021	2022	2023	2024	2025
Items Sold and End Date of Auction	85 (12/18)	122 (11/16)	112 (11/1)	122 (11/12)	139 (12/2)
On-Line Sale Value	\$103,461.75	\$196,375.66	\$135,644.57	\$212,894.48	\$186,879.10

GovDeals continues to be the lowest and best option for hosting online auctions. GovDeals has a contract with Sourcewell (contract number 111424-GDI), a consortium of which Cleveland Metroparks is a member.

**ACTION ITEMS (cont.)**

Fleet Management continues to pass the entire GovDeals administrative fee of 7.5% on to the winning bidder in each instance; so GovDeals invoices Cleveland Metroparks for those fees at 0%. This continues to work well with both the winning bidders and Cleveland Metroparks Fleet Management.

Fleet Management would like to continue this process while testing other auction suppliers in an effort to ensure Cleveland Metroparks is obtaining the best resale gain, paying competitive fees, and searching for enhanced services such as managing listings, bidder questions and item logistics.

In 2026, it is recommended that the Park District continue the public sale of surplus equipment to the highest bidder, through either GovDeals or another online auctioneer that provides Cleveland Metroparks best value.

**B.) Surplus II – Declaration and Auction Permission**

Some items would gain a better price through a live auction; so, in the fall of 2026 (specific date TBD), Cleveland Metroparks would like to hold a “live” auction, on site, at Rocky River Maintenance Center. This would be an opportunity for reservations to purge surplus items that typically do not make their way to the online auction process.

Items for the live auction that are valued at \$25,000 or above as designated in Article 5, Section 6(a) of the By-Laws as requiring Board approval shall first be approved by the Board prior to auction. Items for live auction valued at less than \$25,000 shall be approved by the CEO.

**C.) Single Source #6994 Summary: 2026 Purchase of Used Vehicles and Equipment through Auction(s)**

Cleveland Metroparks is interested in the purchase, through live or online auctions, of pickup trucks, compact pickup trucks, service trucks, off-road equipment, other vehicles, and related equipment to replace some of its aging fleet.

Purchasing **2019 and newer** vehicles and related equipment, when possible, will provide a useful life of an additional five (5) to seven (7) years and spread the replacement cost over a decade rather than the fleet maturing all at the same time (as is the current scenario). Replacing older vehicles with new vehicles would cost anywhere from \$340,000-\$400,000, while auction costs should be substantially less. The goal through auction is to purchase vehicles as well as equipment with a total value not to exceed \$350,000 for a one (1) year period.

**No. 25-12-180:** It was moved by Vice President Moore, seconded by Vice President Rinker and carried, to authorize utilization of the internet auction services of GovDeals, Inc. or another online auctioneer determined by Cleveland Metroparks staff to provide best value for 2026, as described above, to dispose of Park District surplus equipment and vehicles, whereby equipment and vehicles for disposal valued under \$25,000 would be authorized in writing as surplus by the respective Department Chief and

**ACTION ITEMS (cont.)**

the Chief Executive Officer prior to auction, and equipment and vehicles for disposal valued at \$25,000 and above would receive Board approval prior to auction, at no cost to Cleveland Metroparks; and,

To authorize a “Live” auction in the fall of 2026, as described above, whereby Park District surplus equipment and vehicles identified by staff as appropriate for live auction valued under \$25,000 would be authorized in writing as surplus by the respective Department Chief and the Chief Executive Officer prior to live auction, and equipment and vehicles for disposal valued at \$25,000 and above would receive Board approval prior to auction; and,

To approve the purchase of used vehicles and/or equipment at public live or online auctions, as specified in the above Single Source #6994 and pursuant to ORC 307.86(N), for a **total amount not to exceed \$350,000**, for a one (1) year period. Further, that the Board authorize the Chief Financial Officer to generate and release a manual check or checks in the amount of the total active auction purchase(s) not to exceed \$350,000.

**Background**

Cleveland Metroparks staff is committed to continuously improving procedures and offers the proposed modifications to the By-Laws for 2026. Specifically, the changes will address the process to authorize the amendment of purchasing goods and provide a uniform process for the CFO’s execution of documentation required for the donation of certain gifts.

Excluding the headings, the proposed new language is underlined for quick reference.

On May 23, 2024, Cleveland Metroparks acquired Permanent Parcel No. 101-16-001 from Marlin Investment Group, LLC (the “Property”). The Property is located on Merwin Avenue south of Center Street (reference map, page 105442), includes four structures that total 27,174 square feet, and is the subject of this grant application.

The Building Demolition and Site Revitalization Program (“Program”) administered by the Ohio Department of Development (“ODOD”) provides funds for demolition of commercial and residential buildings that are not brownfields. The Cuyahoga County Land Reutilization Corporation (“Cuyahoga County Land Bank”) is Cuyahoga County’s designated agency to receive and prioritize applications from local entities for subsequent submittal to ODOD. Cleveland Metroparks has applied to the Cuyahoga County Land Bank for funds to demolish the above-mentioned structures on the Property.

The proposed budget is as follows:

Ohio Department of Development	\$515,063
Cleveland Metroparks	\$171,687*
<b>TOTAL</b>	<b>\$686,750</b>

\*Matching funds include \$60,000 in acquisition costs and \$26,750 in environmental assessment fees, which have already been paid.

**No. 25-12-182:**

It was moved by Vice President Moore, seconded by Vice President Rinker and carried, to approve the submittal of a grant application to the Ohio Department of Development via the Cuyahoga County Land Bank for  $\pm$ \$515,063 for demolition related activities at the above-described property through the Building Demolition and Site Revitalization Program as described above; upon grant award notification, to authorize and agree to obligate the required matching funds of  $\pm$ \$171,687 as described above and all funds required to satisfactorily complete the proposed project and become eligible for reimbursement under the terms and conditions of the Program; and, that the Board authorize the Chief Executive Officer to enter into agreement and execute any other documents as may be required to accept the grant upon award and effectuate the above; form of document(s) to be approved by Chief Legal and Ethics Officer.

(g) ***Professional Services Agreement – RFQu #6969/PID 119874 – CUY-Old Highland Rd Bridge, Euclid Creek Reservation – Professional Construction Inspection Services for Cleveland Metroparks***

*(Originating Sources: Sean E. McDermott, P.E., Chief Planning and Design Officer/ Christopher Papp, P.E., Civil Engineer/Michele Crawford, Director of Project Development/Seth Keller, Project Manager)*

### **Background**

On February 16, 2023, the Board of Park Commissioners provided authorization (Resolution No. 23-02-028) to apply for Municipal Bridge Funding (“MBF”) in accordance with O.R.C. Section 302.21 from Ohio Department of Transportation (“ODOT”). Cleveland Metroparks was granted \$2,000,000 in MBF for the Old Highland Road Bridge Replacement (“Project”). The MBF funds up to 95% of eligible construction costs and for this funding cycle, leaving a 5% local share for construction costs. Funded construction costs include construction inspection and administration.

The Project includes the replacement of a deteriorated bridge which formerly carried Old Highland Road over Euclid with a precast reinforced concrete arch structure on a drilled shaft foundation. The bridge functions as an access drive to the Upper Highland Picnic Area but was once Highland Road (now referred to “Old Highland Road”). The existing deteriorated reinforced concrete bridge is being replaced with a precast reinforced concrete arch structure on drilled shafts. The Project maintains the existing horizontal alignment and slightly raises the existing profile. The Project also includes approach roadways, an all-purpose trail, drainage, utility, guardrail, scour protection, channel modification and other miscellaneous site work.

The construction inspection is partially funded by federal funds, and, therefore, must follow the ODOT consultant selection process in compliance with Ohio Revised Code Sections 153.65 through 153.71 and Federal Regulation 23 C.F.R. 172. On September 22, 2025, Cleveland Metroparks issued a Request for Qualifications (RFQu #6969) for interested ODOT prequalified parties to submit qualifications for Professional Consulting Services for Cleveland Metroparks Construction Inspection for the Project in the form of a letter of interest (“LOI”) that was posted through the Programmatic Selection Process used by ODOT which requires responding firms to answer qualification questions within a set format.

### **RFQu Response and LOI Analysis**

Cleveland Metroparks staff prepared RFQu #6969 and requested that the respondents demonstrate qualifications relative to Project’s scope, which includes providing comprehensive inspection and supplemental testing services for the Project. The

professional services RFQu yielded five (5) responses from highly qualified consultant teams. Pursuant to Ohio Revised Code 153.69, statements of qualifications were reviewed by a panel of Cleveland Metroparks staff, including Seth Keller, Michele Crawford, Sean McDermott, and Chris Papp.

Through an independent evaluation of the qualifications, the review panel determined a short list of three firms based off of key personnel, understanding of the general project approaches, and ability to meet stated objectives. American Structurepoint Inc., DLZ Ohio, Inc. (“DLZ”), and Quality Control Inspections, Inc. (“QCI”) were the short-listed firms. These selected teams have vast project experience and familiarity with upcoming capital project service scopes and can provide services for construction inspection and administration as was outlined in the RFQu.

**Proposal Analysis**

Due to the Project parameters, DLZ was deemed to be the most qualified for the Project. DLZ has personnel available with extensive experience with bridges, ODOT Local Public Agency (“LPA”) projects, and most recently completed the Valley Parkway Bridge Rehabilitation project. A fee proposal was requested from DLZ for the federally funded LPA administered Project. DLZ proposed a not-to-exceed cost of \$235,466 billed hourly which will cover the following items:

- Schedule and administer all progress meetings.
- Review and approve the contractor’s schedule.
- Administer the submittal process.
- Assist with DBE documentation and EEO/Prevailing Wage requirements.
- Establish and update the LPA files and support information.
- Organize all close out documentation and follow through on any ODOT audit deficiencies.
- Provide active contract administration and full-time on-site observation and documentation of the contractor’s work.
- Complete daily construction activity reports (Inspector Daily Reports).
- Track weather conditions, materials, labor and equipment.
- Collect all material documentation.
- Utilize the project bill of materials (PBOM) to monitor and control the materials.
- Schedule verification testing as needed and required.
- Review and provide recommendations for project invoices, request for information and construction disputes.

**No. 25-12-183:**

It was moved by Vice President Moore, seconded by Vice President Rinker and carried, to authorize the Chief Executive Officer to enter into a Professional Services Agreement for CUY-Old Highland Rd Bridge, as per RFQu #6969, in the Euclid Creek Reservation with **DLZ, Inc.**, in the **amount not to exceed \$235,466** for construction administration and inspection services pursuant to the associated proposal dated November 25, 2025. Due to the use of federal funds, Cleveland Metroparks must

utilize ODOT's standard letter agreement to engage DLZ, Inc. The letter agreement and the form of any additional agreements as may be reasonably necessary to effectuate the above shall be approved by the Chief Legal and Ethics Officer.

**(h) *Single Source #6998 – Cleveland Public Power Three-Phase Service Upgrade – Barge 225, Euclid Creek Reservation***

*(Originating Sources: Sean McDermott, Chief Planning & Design Officer/Michele Crawford, Director of Project Development/Keith Carney, Project Manager/Andrew Stahlke, Project Developer)*

**Background**

On July 9, 2024, Cleveland Metroparks entered into a contract with DS Architecture (“DS”) and their subconsultant team pursuant to RFQu #6836 for professional design services for Barge 225 (“Project”). DS was selected as the top-ranked firm to perform professional design services for the Project, and a contract was authorized by the Board on June 20, 2024 (Board Resolution No. 24-06-076) in the amount of \$238,228.00 for due diligence, conceptual development, schematic design and design development phases.

As the design progressed, a phased approach was implemented in order to advance a partial opening of Barge 225 while fundraising for the full renovation continued. The first phase includes site electrical and gas utility improvements and connections over water from the Wildwood Marina Building to Barge 225 to operate the existing heating and cooling systems. It was known that the existing electrical service at the Wildwood Marina Building would be inadequate to operate the existing heating and cooling system of the Project, which required three-phase power. On August 19, 2025, the Project team met with Cleveland Public Power (“CPP”) to discuss extending and upgrading existing electrical service. CPP determined that service could be upgraded via a new line and poles from Lakeshore Blvd. along East Park Drive, terminating at Cleveland Metroparks property along Neff Road.

This request will cover costs to complete the design as well as construction for the new service performed by CPP in the amount of \$80,096.05.

**No. 25-12-184:** It was moved by Vice President Moore, seconded by Vice President Rinker and carried, to authorize the Chief Executive Officer to authorize payment to **Cleveland Public Power** per Single Source #6998 for the engineering and construction fee as described above in the not to exceed amount of **\$80,096.05**; and further, that the Board authorize the Chief Executive Officer to enter into related agreements and execute any other

documents as may be required to effectuate the above; form of document(s) to be approved by Chief Legal and Ethics Officer.

(i) ***Change Order No. 3 – Contract #1837 – Mandel Community Trail – Trail Lighting Installation – Lakefront Reservation***  
*(Originating Sources: Sean E. McDermott, P.E., Chief Planning and Design Officer/Michele Crawford, Project Development Director/Andrew Stahlke, Project Developer)*

**Background**

On August 17, 2023, the Board authorized a development agreement (Resolution No. 23-08-135) between Cleveland Metroparks, the City of Cleveland, and Cuyahoga County to work in partnership towards the development of the North Marginal Trail (“Mandel Community Trail”). Since that time construction of the 2.7 mile shared use path between E. 9<sup>th</sup> Street and East 55<sup>th</sup> Street (the “Project”) has progressed with Cuyahoga County administering construction with their contractor, Independence Excavating, Inc. (“Independence”). The Project is set for completion in 2026.

Independence was awarded the Project by Cuyahoga County in 2024 as the lowest and best bidder among five (5) bidders through their public RFB# 14474 and subsequently awarded the contract for construction of the Project by way of Cuyahoga County Resolution No. R2024-0262. The Jack, Joseph, and Morton Mandel Foundation (“Mandel Foundation”) has awarded additional funds to Cleveland Metroparks for additional trail features and improvements including trail illumination between E. 9<sup>th</sup> Street and Martin Luther King Jr. Boulevard. Independence has already in their Project bid established competitive line-item costing that can be extended and updated for market conditions for use in illumination additions which fits squarely the utilization of a single source contract.

Michael Baker International (“Michael Baker”), the engineer of record on the Project, is preparing the engineering plans for the trail illumination and their contract was authorized by the Board on June 19, 2025 (Resolution No. 25-06-099).

On August 21, 2025, the Board awarded a construction contract (Resolution No. 25-08-130) to Independence for installation of duct banks, pull boxes, and light pole bases for 8,600 linear feet of trail in the amount of \$477,235. Independence will install the trail illumination infrastructure under the guidance of the Cuyahoga Department of Public Works per the project development agreement (or other related agreement(s)) along with the balance of the original work included in the Project. At the time of the August 2025 proposal it was known that multiple additional change orders would be needed to add to the contract as design work progressed and could be priced and added to the Project scope.

## **ACTION ITEMS (cont.)**

On October 15, 2025, the Board amended the contract (Resolution No. 25-10-151) to reflect Change Order No. 1 in the amount of \$229,790 to add anticipated components to the trail illumination infrastructure as design work has progressed between E. 9<sup>th</sup> Street and E. 55<sup>th</sup> Street. On November 20, 2025, the Board amended the contract (Resolution No. 25-11-169) to reflect Change Order No. 2 in the amount of \$1,127,210 to include the final components of the trail illumination system between E. 9<sup>th</sup> Street and E. 55<sup>th</sup> Street.

Independence continues to make substantial progress with the Project and trail illumination to date and in order to stay on schedule, components of the second phase of trail illumination system between E. 55<sup>th</sup> Street and Martin Luther King Jr. Boulevard with long lead times are required to be purchased at this time. Change Order No. 3 is described below.

### **Change Order No. 3**

Michael Baker has established the estimated values below for Change Order No. 3 for the purchase of 15' tall and 30' tall light poles associated with trail illumination between E. 55<sup>th</sup> Street and Martin Luther King Jr. Boulevard:

<b>Light Poles, East 55<sup>th</sup> Street to Martin Luther King Jr. Blvd.</b>				
<b>Description</b>	<b>Quantity</b>	<b>Units</b>	<b>Unit Price</b>	<b>Net Amount</b>
Light Pole, 30' Fiberglass	50.00	EACH	\$6,000.00	\$300,000.00
Light Pole, 15' Fiberglass	8.00	EACH	\$5,500.00	\$44,000.00
			<b>TOTAL</b>	<b>\$344,000.00</b>

Staff will return to the Board with forthcoming change orders to add additional components of the trail illumination and security monitoring system once designed by Michael Baker and priced by Independence.

### **No. 25-12-185:**

It was moved by Vice President Moore, seconded by Vice President Rinker and carried, to authorize the Chief Executive Officer to amend the Contractor Contract, as per Single Source #6968, with **Independence Excavating, Inc.**, for the construction of the Mandel Community Trail Lighting, Lakefront Reservation to reflect Change Order No. 3 in the amount of **\$344,000** which will be an amount in addition to **\$1,834,235 already awarded for a total contract value of \$2,178,235**, in a form acceptable to the Chief Legal and Ethics Officer.

Vote on the motion was as follows:

Ayes: Ms. Ittu, Messrs. Moore and Rinker.  
 Nays: None.

**ACTION ITEMS (cont.)**

(j) ***Ratification of Amendment No. 1 – Contract 1813 – Cleveland Metroparks Special Testing and Inspections – Lakefront Reservation Professional Design Services***  
*(Originating Sources: Sean E. McDermott, P.E., Chief Planning and Design Officer/Michele Crawford, Director of Project Development/Seth Keller, Project Manager)*

**Background**

On March 7, 2025, Cleveland Metroparks issued a Request for Qualifications (RFQu #6913) for interested parties to submit qualifications for Professional Consulting Services for Cleveland Metroparks Special Testing and Inspections, Park-wide for a maximum period of five (5) years, through 2030. Construction projects subject to this program are distributed throughout all eighteen (18) reservations comprising the Cleveland Metroparks system. Proposals will be requested on a project-by-project basis by the consultant deemed most qualified for the project scope as the projects are individually identified.

Through the evaluation process, staff identified a short-list of three firms and requested interviews to become familiar with key personnel and understand the general project approaches and ability to meet stated objectives. Short-listed firms will be invited to submit pricing proposals to Cleveland Metroparks on a per project basis. For the Patrick S. Parker Community Sailing Center (“Project”), Terracon Consulting, Inc. (“Terracon”) was deemed the most qualified of the three (3) short-listed firms. A proposal was requested from Terracon to perform the special testing and inspection services for the Project, which included the observation and testing for earthwork, shallow foundation, reinforcement cast-in place concrete, structural masonry and post installed anchor bolts. On April 17, 2025, the Board of Park Commissioners authorized the Chief Executive Officer to enter into a Professional Services Agreement (Board Resolution No. 25-04-057) for special testing and inspection, as per RFQu #6913 in the amount of \$77,095.

**Proposal Analysis – Amendment No. 1**

A proposal was requested from Terracon for the necessary additional special testing services that will need to be performed as the Project proceeds as identified below:

**Earthwork Observation and Testing:**

- Sample and test materials proposed for fill and/or backfill for compaction characteristics.
- Observe undercutting and proofrolling operations to identify soft and/or yielding areas.
- Perform in-situ nuclear density testing to determine moisture content and percent compaction of fill and/or backfill soils based on the laboratory testing.

**Reinforced Cast-In-Place Concrete Observations and Testing:**

- Observe the placement of reinforcing steel for quantity, size, configuration, lap, and cover.
- Verify the use of an approved and specified concrete mix.
- Observe and record placement and curing/protection techniques.
- Sample fresh concrete and perform field tests including slump, air content and/or temperature.

**ACTION ITEMS (cont.)**

- Cast concrete test specimens of structural concrete, laboratory cure and test for compressive strength.

## Structural Steel Observation and Testing:

- Verify use of specified materials during construction.
- Perform visual observation and assessment of bolted connections.
- Perform visual inspection of field welds.
- Perform torque testing of bolted connections.
- Perform ultrasonic testing on 10% of welded connections.

## Additional Alternative Services

## Exterior Drive/Pavement Earthwork Observation and Testing:

- Sample and test materials proposed for fill and/or backfill for compaction characteristics.
- Observe undercutting and proofrolling operations to identify soft and/or yielding areas.
- Perform in-situ nuclear density testing to determine moisture content and percent compaction of fill and/or backfill soils based on the laboratory testing.

## Exterior Drive/Pavement Concrete Observations and Testing:

- Observe the placement of reinforcing steel for quantity, size, configuration, lap, and cover.
- Verify the use of an approved and specified concrete mix.
- Observe and record placement and curing/protection techniques.
- Sample fresh concrete and perform field tests including slump, air content and/or temperature.
- Cast concrete test specimens of structural concrete, laboratory cure and test for compressive strength.

**No. 25-12-186:**

It was moved by Vice President Moore, seconded by Vice President Rinker and carried, to ratify the Chief Executive Officer's execution of Amendment No. 1, as per RFQu #6913 with Terracon Consulting, Inc, for professional services as summarized above for an additional not-to-exceed amount of \$36,374.60, which will be in addition to the already awarded amount of \$77,095, for the testing and inspection services as outlined above for a total revised contract value of \$113,469.60.

Vote on the motion was as follows:

Ayes: Ms. Ittu, Messrs. Moore and Rinker.  
Nays: None.

**AWARD OF BIDS/RFPs/CO-OPS/SINGLE SOURCES.**

**AWARD OF BIDS/RFPs/CO-OPS/SINGLE SOURCES (cont.)**

**BID #6965 SUMMARY:** **JANITORIAL CLEANING SERVICES** for various locations throughout Cleveland Metroparks for a two (2) year period beginning January 1, 2026 through December 31, 2027 with an option to renew for up to an additional two (2) year period from January 1, 2028 through December 31, 2029

**Background**

In October 2025, Cleveland Metroparks solicited bids for janitorial cleaning services for various locations throughout the Park District including Merwin's Wharf, various Nature Centers, Golf Clubhouses, and Ohio & Erie Canal Management Center (OEC) for up to seven (7) days a week. Janitorial cleaning services include, but are not limited to, emptying trash receptacles, cleaning and sanitizing bathroom fixtures, refilling soap, hand sanitizer, paper towel and toilet tissue dispensers, sweeping and mopping floors, wiping down restroom walls, partitions and doors, cleaning tables, chairs, countertops and furniture, and general dusting.

Bid invitations were provided to ±200 potential vendors for janitorial cleaning services, and Purchasing received four (4) viable responses. Based on service coverage, cost efficiencies, and overall best value, the Purchasing Division recommends Vocational Services, Inc. for janitorial cleaning services. The bid prices will show a cost reduction of 1-4% compared to the current contract.

The new contract term is for a two (2) year period beginning January 1, 2026 through December 31, 2027 with an option to renew for up to an additional two (2) year period from January 1, 2028 through December 31, 2029 at Cleveland Metroparks' sole discretion. Based on current service locations and monthly costs, plus the ability to add locations throughout the contract period, the initial two (2) year cost is approximately \$250,000, with a total four (4) year cost of approximately \$500,000 upon renewal.

**RECOMMENDED ACTION:**

That the Board authorize the Chief Executive Officer to enter into an agreement, in a form approved by the Chief Legal & Ethics Officer, between Cleveland Metroparks and **Vocational Services, Inc.** for janitorial cleaning services for a two (2) year period beginning January 1, 2026 through December 31, 2027, for an approximate cost of \$250,000, with an option to renew for up to a two (2) year period for an approximate total cost of \$500,000. In the event the log of consumption approaches 90 percent and is likely to surpass 100 percent of the estimate during the time period, an action item will be presented to the Board requesting an estimated increase.

**(See Approval of this Item by Resolution No. 25-12-187 on Page 105406)**

**AWARD OF BIDS/RFPs/CO-OPS/SINGLE SOURCES (cont.)**

**SINGLE SOURCE #6992 SUMMARY:** **NATIVE PLANT MATERIAL** for a two (2) year period beginning January 1, 2026 through December 31, 2027

HIGHLIGHTS AT A GLANCE
2024-2025 YTD Expenditures = \$119,112.95
2026-2027 Estimate = \$200,000.00

This item provides availability for native plant material to be purchased on an “as-needed” basis for a two (2) year period beginning January 1, 2026 through December 31, 2027 for various locations throughout the Park District. The award will provide flexibility to purchase from various suppliers based on need and quality of products.

The introduction of non-native or plant material from undesirable geographic origins can influence the integrity of a restoration project as well as the surrounding area by passing along foreign genetic material or introducing invasive non-native material.

Using native plants to restore the landscape can help enhance habitat resiliency and minimize impact of species loss. Due to local environmental filters, natives establish self-sustaining plant communities that require less maintenance due to their adaptation to a local region and tolerance for freezing, drought, common diseases, and herbivores.

Native plant species are key to successful ecosystem restoration. Native plants help increase local habitat capacity for providing numerous ecological benefits and services. Specific relationships exist including associations of mycorrhizae with plants, invertebrates with woody debris, pollinators with flowers, and birds with structural habitat that can only be rebuilt by planting native plants.

All native plant material will include species with an existing naturally occurring range found in northern Ohio. Material must be from known genetic stock originating from a reasonable geographical proximity to Cleveland, Ohio and documentation of provenance or location of seed source must be provided upon request.

The anticipated vendors have demonstrated the integrity of maintaining regional genetic material in their native plant material. Their stock has proven to be of high quality and meets all of Cleveland Metroparks Natural Resources’ expectations.

This award will provide flexibility to purchase from various native plant suppliers. Furthermore, this will allow park staff to purchase various native plant material based on discretion, quality, and factors beyond price for all our locations. Individual requirements for native plant material are typically vendor specific.

**Anticipated Vendors and Possible Product** (included but are not limited to):

- **Bareroot Materials:** Vallonia Nursery, Jasper-Pulaski Nursery, and Buckeye State Nursery
- **Shrubs:** Native Roots, Inc. and Woody Warehouse Nursery Inc.
- **Containerized Trees:** Woody Warehouse Nursery Inc. and Applied Ecological Services

**AWARD OF BIDS/RFPs/CO-OPS/SINGLE SOURCES (cont.)**

- **Herbaceous Plugs/Pots:** Native Roots, Inc., Ohio Prairie Nursery Ltd., Spence Restoration Nursery, Nodding Onion Gardens Native Plant Nursery, Natural Communities LLC, Archewild, Stantec Native Plant Nursery, Natives in Harmony, Scioto Garden Ventures, Meadow City, and Pizzo Native Plant Nursery
- **Native Seed Plant Mix:** Ohio Prairie Nursey Ltd., Natural Communities LLC, Ernst Conservation Seed and Stantec Native Plant Nursery

**RECOMMENDED ACTION:**

That the Board approve the purchase of native plant material as per Single Source #6992 for a two (2) year period beginning January 1, 2026 through December 31, 2027, from **various vendors**, for a **total cost not to exceed \$200,000**. In the event the log of consumption approaches 90 percent and is likely to surpass 100 percent of the estimate during the time period, an action item will be presented to the Board requesting an estimated increase.

**CO-OP #6993 SUMMARY:** **INFORMATION TECHNOLOGY EQUIPMENT AND SERVICES** for a two (2) year period beginning January 1, 2026 through December 31, 2027

<b><i>HIGHLIGHTS AT A GLANCE</i></b>
2024/2025 YTD Estimated Expenditure - \$4,431,300.00
2026/2027 Estimate - \$4,000,000.00

This recommendation makes available certain equipment and services on an “as-needed” basis for a two (2) year period beginning January 1, 2026 through December 31, 2027 to the Information Technology Services Department (ITS) for the purchase of multiple items which may include but are not to be limited to: desktop computers, laptops, servers, storage area network (SAN) storage devices, switches, firewall, phone system equipment, wireless equipment, audio/visual equipment, and other related technologies and services.

In 2024 and 2025, multiple items were procured from various vendors such as: Dell, Logicalis, CDWG, MCPc, and Integrated Precision Systems. The purchases from these vendors approved in this summary are part of a cooperative agreement (*i.e.*, either the State of Ohio, GSA pricing, or other purchasing cooperative programs).

The 2026/2027 expenditure estimate includes but is not limited to network switch replacements, server and storage infrastructure additions, replacement and/or additional surveillance camera systems and audio-visual exhibits. New locations that are brought online also generally require upfront investment. New locations will include Zoo Primate Forest, Patrick S. Parker Community Sailing Center, and other ancillary buildings/acquisitions.

The award will provide flexibility to purchase from various vendors based on need and availability. Furthermore, this recommendation will allow the ITS Department to purchase products and services more quickly and efficiently on state term or other purchasing cooperatives.

**Vendors and Possible Equipment/Services** (included but not limited to):

- **Dell:** Dell represents the vast majority of the desktop computers and laptops for the 1000+ device fleet. Items procured from Dell also include server systems that run the data center, along with all necessary storage and most backup. In addition, Dell is the fiscal agent for Microsoft licensing purchasing and as such, all purchase orders to Microsoft go through the Dell organization.
- **Logicalis:** Network switches, wireless access points, routers, firewalls, and necessary VoIP equipment.
- **CDWG:** Anti-Virus Software, renewals of various hardware and software, Microsoft Surface Devices, and other various technologies.
- **MCPc:** Microsoft Software, endpoints (desktops, laptops), and various hardware.
- **Integrated Precision Systems (IPS):** Access Control systems, security cameras, gate and door access.
- **AVI/SPL:** Audio/Visual components, media systems

**AWARD OF BIDS/RFPs/CO-OPS/SINGLE SOURCES (cont.)****RECOMMENDED ACTION:**

That the Board approve the purchase of Information Technology Equipment & Services per Co-Op #6993 from various vendors that participate in purchasing cooperative programs for a two (2) year period beginning January 1, 2026 through December 31, 2027, for a total cost not to exceed \$4,000,000. In the event the log of consumption approaches 90 percent and is likely to surpass 100 percent of the estimate, an action item will be presented to the Board requesting an estimated increase.

**(See Approval of this Item by Resolution No. 25-12-187 on Page 105406)**

**AWARD OF BIDS/RFPs/CO-OPS/SINGLE SOURCES (cont.)****SINGLE SOURCE #6995 SUMMARY: PAID MEDIA ADVERTISING FOR 2026**

<b><i>--- HIGHLIGHTS AT A GLANCE ---</i></b>
2025 YTD Estimated Expenditure = \$825,000.00
2026 Estimate = \$1,350,000.00

**Background**

The 2025 YTD estimated expenditure reflects invoices paid to date, plus remaining fourth quarter advertising and outstanding invoices.

This item provides for paid media advertising to be used/secured on an “as-needed” basis throughout 2026 in support of the following initiatives: grow attendance/usage for zoo, golf, parks, rental facilities and retail.

The media advertising mix and vendor allocations will be based on ability to effectively and efficiently reach the relevant target market(s) specific to each initiative.

The following is a summary of the advertising mediums and anticipated vendors. Actual expenditures for a given vendor will depend on market driven factors determined at the time of the actual advertising buys; therefore, the recommendation authorizes an overall “not to exceed” amount of \$1,350,000 versus a specific spend allocation by medium and/or vendor.

**Advertising Mediums & Anticipated Vendors** (not limited to):

- **Digital** (Online Display/Paid Search/Mobile): Meta, Google, WeddingWire
- **Outdoor** (Billboards/Transit): Clear Channel Airports, Lamar, Outfront Media
- **Radio**: Cleveland Guardians Radio Network, Audacy (i.e., WDOK, WKRK), iHeartMedia (i.e., WHLK, WMJI), Radio One (i.e., WENZ, WZAK), WCPN, WKRN
- **Print**: Call and Post, Code M Magazine, Crain's, Destination Cleveland, Great Lakes Publishing, La Prensa, Northeast Ohio Boomer, Northeast Ohio Parent
- **Television**: Spectrum Reach, WEWS, WJW, WKYC, WUAB/WOIO

**To the extent possible, media buys are purchased utilizing funds contributed by branded product sponsors** (i.e., CrossCountry Mortgage, Key Bank, MetroHealth and the general Marketing fund).

**RECOMMENDED ACTION:**

That the Board approve the purchase of various single source paid media advertising buys, Single Source #6995, for a **total cost not to exceed \$1,350,000**. In the event the log of consumption approaches 90 percent of the estimate and is likely to surpass 100 percent of the estimate during the time period, an action item will be presented to the Board requesting an increase.

**(See Approval of this Item by Resolution No. 25-12-187 on Page 105406)**

**AWARD OF BIDS/RFPs/CO-OPS/SINGLE SOURCES (cont.)****SINGLE SOURCE #6996 SUMMARY:** **CLOUD-BASED SOFTWARE SUITE FOR DISPATCH, RECORDS MANAGEMENT, MOBILE ACCESS, JAIL OPERATIONS AND CIVIL PROCESS TRACKING FOR CLEVELAND METROPARKS POLICE**

The Cleveland Metroparks Police Department seeks Board approval to enter into a one-year agreement, auto renewing for one year, with Sundance Systems, Inc. to implement a cloud-based software suite for law enforcement and public safety operations. The software package includes integrated modules for dispatch, records management, mobile access, jail operations, and civil process tracking. Its centralized, scalable platform enhances data accessibility, inter-agency coordination, and real-time decision-making, making it a strong solution for modernizing public safety infrastructure.

**Background**

In December 2020, the Cleveland Metroparks Police Department transitioned from a self-service to a regional dispatch center, significantly improving communication and resource coordination for police and medical responses. This shift included a partnership with Chagrin Valley Dispatch and the adoption of its supported Records Management System (RMS), TAC, replacing the discontinued Emergitech RMS.

After the integration, Chagrin Valley Dispatch operations moved from TAC to Motorola's PremierOne CAD (Computer Aided Dispatch) and RMS (Records Management System) platforms. Unfortunately, numerous partner agencies have stopped using the Motorola solution, and Motorola is now discontinuing the product line.

Cleveland Metroparks' existing platforms do not offer the full range of services that the Police Department seeks to ensure continuity of service, safeguard public safety, and maintain the confidence of our partner agencies.

The majority of partner agencies have already transitioned to Sundance Systems, Inc. platforms for both CAD and RMS functions. Sundance Systems, Inc. now supports seventeen Cleveland Metroparks communities, with three more joining in early 2026. Adopting the Sundance cloud-based software will allow Cleveland Metroparks Police to share real-time data on suspects, vehicles, and emergencies across twenty-one communities – a significant increase of community scope versus the Motorola PremierOne solution.

Moreover, the Sundance RMS software has demonstrated the ability to deliver critical data on demand and supports robust information sharing across partner agencies. Its superior reporting capabilities, responsive technical support, and commitment to continuous improvement underscore Motorola's shortcomings in meeting the department's operational and service delivery needs.

The Sundance proposal for the Hosted CAD-BRIDGE/RMS/MDT cloud-based system includes a required down payment equal to one-quarter of the total first-year cost. The first-year total cost is \$84,300, which includes \$34,500 one-time fees for setup, configuration, historical data

conversion, and training, along with a \$49,800 annual fee for support and maintenance. This proposal includes a one-year renewal option for \$49,800 for support and maintenance.

**RECOMMENDED ACTION:**

That the Board authorize the Chief Executive Officer to enter into a one (1) year agreement, in the form approved by the Chief Legal & Ethics Officer, with **Sundance Systems, Inc.** for a cloud-based software suite for dispatch, records management, mobile access, jail operations and civil process tracking for a cost of \$84,300, with an auto renewal for an additional one (1) year period (which auto renewal can be cancelled by Cleveland Metroparks) for the amount of \$49,800, for a total two (2) year cost of approximately \$134,100.

**(See Approval of this Item by Resolution No. 25-12-187 on Page 105406)**

**AWARD OF BIDS/RFPs/CO-OPS/SINGLE SOURCES (cont.)****SINGLE SOURCE #6997 SUMMARY: DRONE AS FIRST RESPONDER (DFR)  
BRINC MSI TAKEOFF PROGRAM FOR  
CLEVELAND METROPARKS POLICE****Background**

In 2024, the Cleveland Metroparks Police Department partnered with BRINC Drones, Inc. to purchase the Responder Safeguard System (Drone) and support services. The Responder Safeguard System includes purpose-built drones and software that provide real-time intelligence to dispatchers and responders to facilitate safe and rapid response. Drones are transforming emergency response protocols by providing visual access to a scene within minutes, often arriving before officers or paramedics. Drones can stream live videos to dispatchers, guide responders to specific locations as well as transport life-saving equipment such as Deployable Personal Flotation Devices (PFDs), EpiPens and Narcan.

The BRINC MSI Takeoff Program is a strategic partnership between BRINC Drones, Inc. and Motorola Solutions, Inc. aimed at facilitating the implementation of drones in public safety by seamlessly integrating BRINC's Drone as First Responder (DFR) technology into Motorola's ecosystem which will work with Cleveland Metroparks' dispatch software. Dispatchers can quickly deploy drones in response to emergency calls and radio dispatches, providing critical situational assessments before responders arrive.

The proposal for the BRINC MSI Takeoff Program is for a four-year period and includes two BRINC Drone as First Responder (DFR) drones, hardware, software, training and support. The first year of the program is at no cost to Cleveland Metroparks. Following the initial year, the annual fee is \$119,998 for a total cost of \$359,994 for the four-year contract period.

Year	Item Number	Description	QTY	TERM	Sale Price	Ext. Sale Price

Year 4 Subscription		2 Responder w/Station DFR (Single Site)				\$119,998.00

**RECOMMENDED ACTION:**

That the Board authorize the Chief Executive Officer to enter into a four-year agreement, in the form approved by the Chief Legal & Ethics Officer, with **Motorola Solutions, Inc.** for the Drone as First Responder (DFR) BRINC MSI Takeoff Program for Cleveland Metroparks Police for a **total cost of approximately \$359,994**. In the event the log of consumption approaches 90 percent and is likely to surpass 100 percent of the estimate during the time period, an action item will be presented to the Board requesting an estimated increase.

### **OMNIA CO-OP #6999 SUMMARY: PURCHASE AND INSTALLATION OF PLAY SPACE EQUIPMENT AND RELATED SERVICES FOR GORDON PARK IMPROVEMENTS**

*(Originating Sources: Sean E. McDermott, P.E., Chief Planning and Design Officer/Amanda Meier, Landscape Architect)*

#### **Background**

In an effort to revitalize Gordon Park in the Lakefront Reservation, Cleveland Metroparks has secured a generous donation from the Jack, Joseph and Morton Mandel Foundation. Their donation along with Cleveland Metroparks' capital dollars will provide funding for the first phase of improvements within Gordon Park. Included within the first phase of improvements is a proposed 16,800 square foot play space. The desire is to develop a play area within Gordon Park for children to both learn about the neighboring great lake and play with structured and natural elements. The team has developed a custom Robinia wooden mayfly climber, that provides an educational play element while paying tribute to Lake Erie's ecosystem. The play equipment will provide play value for ages 2-5 as well as ages 5-12.

MKSK, the design consultant for the first phase of improvements, has commissioned ParkVision, as a subconsultant, for the design and construction of the proposed play area. ParkVision has developed a plan for the play area along with selected play equipment and site materials. The Kompan, Inc. play equipment will be purchased and installed by ParkVision, the regional distributor.

#### **Recommendation**

Cleveland Metroparks staff recommends the purchase of the play space equipment manufactured by Kompan, Inc. in full cooperation with Omnia Cooperative Purchasing Program, Contract number 2017001135 (as per a bundled quote) as outlined below:

<b>Vendor</b>	<b>Description</b>	<b>Total</b>
Park Vision	Play structure components: - Double zipline - 3 bay swing set - Age 5-12 parkour climber - Age 2-5 parkour climber - Larger tower with slide and net - Custom fish climbing panels - Rope bridge - Custom Mayfly climber - Steel shade structure  Freight Included	\$815,445.00
	Construction of the entire play area which includes labor and material to perform site work, drainage, equipment and play surface installation	\$822,750.00
	Omnia Partners Program adjustment	(282,275.63)
	<b>Total Amount</b>	<b>\$1,355,919.37</b>

**AWARD OF BIDS/RFPs/CO-OPS/SINGLE SOURCES (cont.)****RECOMMENDED ACTION:**

That the Board approve the purchase and installation of the play equipment from ParkVision, as per **OMNIA Co-Op #6999**, as described in the above summary, for a sum not to exceed **\$1,355,919.37** in full utilization of the OMNIA Partners Cooperative Purchase Program Contract Number 20170001135. Form of agreement(s) to be approved by the Chief Legal and Ethics Officer.

**INFORMATION/BRIEFING ITEMS/POLICY.****(a) 2025 Reservation Plan Updates**

*(Originating Sources: Sean E. McDermott, P.E., Chief Planning and Design Officer/ Kelly Coffman, Principal Planner)*

Reservation Plans translate the six core goals of the System Plan into specific actions for each reservation. The plans are updated on a rotating basis in accordance with the Commission for Accreditation of Park and Recreation Agencies (“CAPRA”) recommendations. Reservation Plans for Brookside, Garfield Park, Ohio and Erie Canal, Washington, and West Creek Reservations were updated this year.

The draft plans were presented in September, prior to a series of six Community Open Houses. The final drafts are now being shared with the Board for any additional comments. The plans represent the work of internal stakeholders from park management, planning and design, natural resources, marketing and communications, law enforcement, development, information technology, legal, and outdoor experiences. Public comments and coordination with elected officials and staff from the communities surrounding the five reservations are also reflected in the plans.

The Reservation Plans define actions, identify priorities, and honor the special characteristics of each reservation. The plans will be published and posted online in late 2025 and form a key component of the overall System Plan. The update process continues in 2026 at Big Creek, Mill Stream Run, Rocky River, Bradley Woods, and Huntington Reservations.

**(b) 2025 North Chagrin and Willoughby Hills Trail Connections**

*(Originating Sources: Sean E. McDermott, P.E., Chief Planning and Design Officer/ Kelly Coffman, Principal Planner)*

Cleveland Metroparks Planning and Design staff regularly coordinates with surrounding communities as part of the Reservation Planning process to help improve access for bicyclists and pedestrians to assure shared goals for trail development. Conversations between Cleveland Metroparks and the City of Willoughby Hills (“Willoughby Hills”) have been underway since 2016, with a goal of improving access to North Chagrin Reservation. Willoughby Hills prepared a Sidewalk and Multi-Use Feasibility Study with input from Cleveland Metroparks and in coordination with the most recent North Chagrin Reservation Plan (2023).

Willoughby Hills was awarded \$500,000 via the Ohio Department of Transportation’s Systemic Safety Program and Pedestrian & Bicycle Special Solicitation and additional funding through the Ohio Department of Natural Resources Clean Ohio Trail Fund. Willoughby Hills has committed \$125,000. Willoughby Hills’ project connects the existing multi-purpose trail on State Route 91 (SOM Center Road) in Mayfield Village 1.2 miles north to US 6 (Chardon Road) and 0.5 miles east on US 6 to Buttermilk Falls

**INFORMATION/BRIEFING ITEMS/POLICY (cont.)**

Parkway and, with the partnership of Cleveland Metroparks, will provide three new access points to the North Chagrin Reservation for bicyclists and pedestrians.

Cleveland Metroparks is committing to constructing three segments of all purpose trail (“APT”) within North Chagrin Reservation:

1. A segment of APT along Sunset Lane connecting Buttermilk Falls Parkway to State Route 91/SOM Center Road;
2. A segment of APT at the Strawberry Lane parking lot connecting the existing APT to State Route 91/SOM Center Road; and,
3. A segment of APT along Buttermilk Falls Parkway connecting the existing APT terminus north to US 6/Chardon Road.

The project is reflected in the City’s Master Plan and Cleveland Metroparks’ North Chagrin Reservation Plan and will provide a framework for connection to the future Chagrin River Trail proposed in the Chagrin Connects Trail Plan. The anticipated timeline for Willoughby Hills’ portion of the project is design in 2026, R/W acquisition (temporary access from St. Noel Church at a culvert) in 2026, and construction in 2027.

**(c) 2025 Year in Review**

*(Originating Sources: Brian Zimmerman, Chief Executive Officer/Kelly Manderfield, Chief Marketing Officer)*

As 2025 concludes, Cleveland Metroparks is marking a year of significant achievement as part of its Second Century of Stewardship System Plan. Strategic efforts helped enhance the guest experience and connect guests to nature, including the Wallace Lake Improvement Project, Tinker’s Eats & Treats and new trails across the Emerald Necklace. Major capital projects progressed ahead of 2026 openings, including the Patrick S. Parker Community Sailing Center, Hinckley Lake Dam Rehabilitation and the first phase of Primate Forest at Cleveland Metroparks Zoo. Key partnerships, including on the Cleveland Cavaliers NBA City Edition, and generous community support also helped to expand programming, elevate events and improve the Park District’s impact and brand recognition. A video presentation will share 2025 accomplishments and highlights across the organization.

**DATE OF NEXT MEETING.**

The next Regular Meeting of the Board of Park Commissioners was scheduled by the Board for Thursday, January 15, 2026, 8:00 a.m. at the Board’s office, 4101 Fulton Parkway, Cleveland, Ohio.

**ADJOURNMENT TO EXECUTIVE SESSION.**

**No. 25-12-188:** At 8:56 a.m., upon motion by Vice President Moore, seconded by Vice President Rinker and carried, the meeting adjourned to an Executive Session for the purpose of discussing a Personnel Matter (Employment), as stated by Chief Legal and Ethics Officer, Rose Fini.

Roll-call vote on the motion was as follows:

Aye: Ms. Ittu.  
Aye: Mr. Rinker.  
Aye: Mr. Moore.  
Nays: None.

**No action was taken as a result of the Executive Session.**

**ADJOURNMENT.**

**No. 25-12-189:** There being no further matters to come before the Board, upon motion by Vice President Moore, seconded by Vice President Rinker, and carried, President Ittu adjourned the meeting at 9:22 a.m.

Vote on the motion was as follows:

Ayes: Ms. Ittu, Messrs. Moore and Rinker.

**BOARD OF PARK COMMISSIONERS OF THE**  
**CLEVELAND METROPOLITAN PARK DISTRICT**  
**BY-LAWS**

**ARTICLE 1. BOARD OF PARK COMMISSIONERS**

Section 1. Board of Park Commissioners. The commissioners, appointed in accordance with Section 1545.09 of the Ohio Revised Code (ORC), will constitute the Board of Park Commissioners of the Cleveland Metropolitan Park District (the "Board") and shall have all of the powers and responsibilities enumerated in ORC Chapter 1545. Commissioners will serve without compensation, but will be allowed their actual and necessary expenses incurred in the performance of their duties pursuant to ORC §1545.05. The Board was created on July 23, 1917 by action of the Cuyahoga County Probate Court in accordance with provisions of ORC Chapter 1545, constitutes a separate political subdivision of the State of Ohio, and as such is not subject to the jurisdiction of any local form of government such as a county, municipality or township.

- a. Board Policies: The Board shall serve as the policy-making approval authority and shall review Board level policy at least once every five (5) years or more often as necessary. New Board policies shall have two public readings before being voted upon and adopted by the Board. Existing Board policies which are being reviewed at the five-year anniversary and contain no substantial changes, may be adopted upon one public reading.
- b. Park District Ordinances: The Board shall adopt, on an annual basis, and more frequently if necessary, Rules and Regulations that are numbered laws or decrees. Ordinances are developed by the Chief of Police, Chief Prosecuting Attorney and Chief Legal & Ethics Officer and submitted to the Board for adoption.

Section 2. Quorum. Two members constitute a quorum of the Board for any meeting. Actions of the Board may be by motion or resolution with affirmative votes of at least two members necessary in order to adopt any motion or resolution. The President may move, second and vote on any action.

Section 3. Officers and Appointments of the Board.

- a. The officers of this Board shall consist of a President and two Vice Presidents, and shall serve one year terms. Board members shall annually rotate through the officer positions at the first meeting of the calendar year as determined by the date of his or her appointment to the Board. Specifically, unless otherwise as is necessary, a newly appointed Board member shall serve one, one-year term as Vice President prior to serving as President. Once a Board member serves his/her term as President and if the Probate Judge appoints the Board member to an additional term, he/she shall then serve at least one, one-year term as Vice President prior to serving an additional

term as President. Pursuant to ORC §1545.07, an Executive Director-Secretary shall be chosen by the Board, and a Treasurer and outside legal counsel shall be chosen by the Board at the latest by the first meeting of the calendar year, to serve at the pleasure of the Board, and none of such positions shall be filled by members of the Board. This provision does not preclude additional legal counsel from being retained throughout the year pursuant to Article 5.

- b. The Executive Director-Secretary shall be known as the Chief Executive Officer (CEO) of the Cleveland Metropolitan Park District and shall serve as the secretary to the Board pursuant to ORC §1545.07. The CEO shall make an accurate and permanent record of the proceedings of the Board, affix his/her signature thereto after the proceedings have been approved, shall certify all vouchers approved by the Board for payment, shall set employee compensation including but not limited to tips/gratuities, commissions, merit bonuses, moving expenses, in accordance with the Board-approved compensation range established pursuant to Article 4, and shall sign, as authorized, all legal documents for and on behalf of the Board, and may authorize employees to serve in their official capacity on certain boards, commissions or offices. In the absence of the CEO from the office which is documented by a written statement, his/her designee, shall serve in the place of the CEO. The CEO may designate certain staff to execute template contracts which have been created or approved by the Legal Department, and in those limited circumstances when financial institutions request the CFO execute terms, conditions or other legally binding documents, the CEO may designate the CFO to execute said documents. The CEO shall have the responsibility of approving operational and administrative policies which have been developed and updated by staff. These operational and administrative policies shall govern the day-to-day operations and shall be consistent with the policies formulated and adopted by the Board.
- c. The Treasurer shall be an ex officio officer of the Board and shall be known as the Chief Financial Officer (CFO), serve as custodian of their funds and serve as their fiscal officer pursuant to ORC §1545.07. The CFO will endorse all checks payable to the depository of the Board, depositing to the credit of the Board all monies received and shall certify sufficiency of funds for contracts and vouchers on behalf of the Board. The CFO shall sign all checks for payment of Board approved and CEO certified payables. The CFO shall also sign all payroll checks in compliance with the Administrative Procedure for Payroll Processing. In the absence of the CFO, his/her designee shall serve in the place of the CFO.

## **ARTICLE 2. MEETINGS OF THE BOARD**

Section 1. Meetings. As used herein, "meeting" shall be defined as any prearranged discussion of the public business of the Board by a majority of its members.

Section 2. Business of the Board. Every meeting of the Board shall be open to the public, except the section of the meeting held in an Executive Session pursuant to applicable state law. The Board may meet virtually pursuant to the provisions of a separately adopted virtual public meetings policy.

Section 3. Posting Time and Place of Meetings. Regular or special meetings of the Board will be determined by the Board. The meetings will be held at such times and places as the Board will from time to time designate. Notice of the date, time and place of regularly scheduled meetings will be determined annually no later than the first meeting of the calendar year, subject to change at the Board's sole discretion, and that schedule will be posted on the Board's Web site and in the Administrative Offices located at 4101 Fulton Parkway, Cleveland, Ohio 44144.

Section 4. Notice of Regular and Special Meetings to the Public. Notice of any change in date, time, place or use of virtual technology of a regular meeting or hearing shall be posted on the Board's Website and in the Administrative Offices at least seventy-two (72) hours in advance of such meeting. The time, place and purpose of a special meeting shall be posted on the Board's Website and in the Administrative Offices at least twenty-four (24) hours in advance of such meeting, except in the case of an emergency meeting.

- a. Any person who desires to receive advance personal notice of any change in date, time, place or use of virtual technology of a regular meeting or of any regular or special meeting of the Board at which any specific type of business is to be discussed may receive such advance notice by requesting in writing annually that the CEO put his or her name on a list, and by providing (1) a current email address; or (2) current phone number; or (3) self-addressed, stamped envelopes or postcards. Notice of emergency meetings of the Board requiring immediate official action will be given only to the news media that have requested notification immediately pursuant to ORC §121.22 and as the same may be amended.

Section 5. Notification of Regular, Special or Virtual Meetings to the News Media. News media requesting notification of any meetings of the Board will provide the CEO with written designation of the person to whom notification will be given, including

said person's name, phone number and e-mail address. The Board will provide at least seventy-two (72) hours advance notice of a meeting or hearing that will be held virtually, unless an emergency virtual meeting is planned which in that event the Board will notify designated media immediately. The Board will, if at all possible, provide such notice only within normal working hours. It shall be the obligation of the news media requesting notification to keep this written designation current at all times.

Section 6. Special Meetings. Special meetings of the Board shall be held upon call of any member of the Board or the CEO. Notices of special meetings shall be mailed to each member at least twenty-four (24) hours before the time of such meetings or given by telephone, e-mail or personally served on each member at least three (3) hours before the time of such meeting. If any member of the Board is unavailable for a period of at least twenty-four (24) hours before such special meeting, failure of such member to receive notice of a special meeting shall not invalidate such meeting or any of its proceedings.

Section 7. Minutes of the Board. An accurate and permanent record of the proceedings and minutes of all meetings, regular and special, shall be kept and entered in a book to be known as the "Minutes of the Board"; and the record of each meeting in the "Minutes of the Board" shall be and constitute the only evidence of the acts of the Board at such meeting, when signed at the end of the record of such meeting by the presiding officer and CEO. The Resolutions shall be properly indexed. In addition, each meeting shall be recorded and those recordings kept in the Board archives as dictated by the records retention schedule. The CEO shall be the official custodian of all the records of the Board and shall be the proper person to certify any action of the Board.

Section 8. Minutes for Public Inspection. The minutes of the Board shall be open for public inspection and recorded after they have been read and approved by the Board. The minutes need only reflect the general subject matter of discussions in Executive Sessions which have been called and held pursuant to and in compliance with the applicable law.

Section 9. Business for Consideration of the Board. All petitions, applications and communications intended for the consideration of the Board (other than those presented by the members of the Board) must be in writing and shall not be considered nor acted upon by the Board unless placed in the hands of the CEO at least five (5) days before the meeting of the Board; provided, however, that the Board may grant exceptions to such requirement in its sole discretion. Public comment at board meetings is at the sole discretion of the Board and, if permitted, shall be received in a manner prescribed by the Board President.

Section 10. Absence of President. The President shall preside at all meetings. In the absence or disability of the President, a Vice President shall perform this duty. "Robert's Rules of Parliamentary Procedure" shall guide the proceedings of the Board when not expressly covered or provided for herein.

Section 11. Order of Business. The business of the Board will generally be considered as follows:

- a. Roll call.
- b. Minutes of previous meeting for approval or amendment.
- c. Presentation of Financial Statement.
- d. New Business/CEO's Report.
  - i. Approval of action items.
  - ii. Approval of resolution to pay expenses of the Board.
- e. Information/Briefing Items/Policy.
- f. Old business.
- g. Schedule for next meeting.

### ARTICLE 3. ETHICS

Section 1. Ohio Ethics Laws. The Board and all of its employees are bound by Ohio's Ethics Laws as codified in Chapters 102 and 2921 of the Ohio Revised Code and as interpreted by the courts of Ohio and by the Opinions of the Ohio Ethics Commission and shall act in full compliance therewith. Additionally, the Board and all of its employees shall not violate any other provision of Ohio Law including, but not limited to, bribery and theft prohibitions.

Section 2. Conflict of Interest Process. In an effort to assist the Board's and its employees' compliance with the conflict of interest provisions of Ohio's Ethics Laws, a conflict of interest vetting process, which includes the review of a list of all Cleveland Metroparks current vendors and/or contractors, shall be completed biennially. In the event that a conflict of interest scenario would arise after the annual conflict of interest process was conducted, the Board member or employee shall disclose the potential conflict of interest to the CFO and Chief Legal & Ethics Officer to determine appropriate next steps.

## ARTICLE 4. EMPLOYEES

The Board shall set the CEO salary, and the CEO shall set the CFO salary. The Board shall also fix the compensation range for all employees, and no person shall be employed in any position unless the compensation has been fixed for such position by the CEO. The Board, in its discretion, may review the appointments of senior staff positions, prior to the person's employment, consisting of, *inter alia*, the Executive Director of Cleveland Metroparks Zoo, Chief Legal & Ethics Officer, Chief Human Resources Officer, Chief Operating Officer, Chief Planning and Design Officer, Chief Marketing Officer, Chief of Police, Chief Information Officer, and Chief Development Officer. Appointment of Police personnel shall be in conformance with ORC §1545.13.

## ARTICLE 5. PROCUREMENT

Section 1. Procurement of Goods. In procuring any goods, the Board shall contract as a contracting authority under ORC §§307.86 to 307.91. The CEO is authorized to set additional policies for procuring goods, provided such policies are consistent with ORC §§307.86 to 307.91.

Section 2. Procurement of Services.

- a. *Services with a cost of greater than \$5,000 and up to and including \$75,000.* In contracting for services, unless otherwise required under any of ORC §§9.33 to 9.334 or 153.65 to 153.71, inclusive, the CEO may, after considering no fewer than three quotes from persons or entities who could perform the contract and the competence, ability and availability of said person or entity, hire any such person or entity and authorize a contract therewith.
- b. *Services with a cost over \$75,000.* In contracting for services except the services of an accountant, attorney at law, physician, consultant, manager, surveyor, or appraiser, unless otherwise required under any of ORC §§9.33 to 9.334, inclusive, the CEO shall issue a Request for Proposal (RFP), Request for Qualifications (RFQu), Request for Information (RFI) or other competitive process to evaluate the competence, ability and availability of any person or entity and, upon the recommendation of the CEO, the Board may hire any such person or entity and authorize a contract therewith. For services of an accountant, attorney at law, physician, consultant, manager, or appraiser, Section 2(a) shall be followed.
- c. For services valued at or below \$5,000, the CEO is authorized to implement procurement process requirements.
- d. For services obtained pursuant to Sections 2(a) or (b), the CEO need not obtain three quotes or issue a RFP, RFQu, or RFI if: (a) the purchase is being made pursuant to a joint purchasing program similar to those addressed by ORC § 9.48; (b) the purchase is of services of a proprietary nature or are otherwise limited to a single source; or (c) the purchase is from the federal government, the state, another county or contracting authority of another county, or a board of education, educational service center, township or municipal corporation.
- e. *Professional design services.* In contracting for professional design services, the Board shall comply with §§ 153.65 — 153.99 of the Ohio Revised Code. “Professional design services” means services within the scope of practice of an architect or landscape architect registered under Chapter 4703 of the Revised Code or a professional engineer or surveyor registered under Chapter 4733 of the Revised Code.
- f. *Management Services:* In contracting for management services, the Board shall exercise extensive controls over the manager while ensuring that Park District property is used exclusively for public purposes. A management services agreement is an agreement entered between a third party and the Park District to provide management of a Park District facility, asset, event, operation, or program for a usage fee reducing the Park District's operational costs and increasing its efficiency.
  - i. For management service agreements, the CEO may approve a management services agreement for “new” management services on a trial, or pilot, basis to last no longer than three (3) years without conducting a RFP, RFQu, RFI or other competitive process. A “new” management services operation is defined as a management services operation the Board has not contracted for in the immediately preceding five (5) years at that location. After the trial or pilot period, an RFP, RFQu, RFI or other competitive process which evaluates multiple criteria (*i.e.*, including, but not limited to, quality, consistency with the Park District mission, level of revenue generated, etc.) shall be utilized to identify the person or entity to conduct the management services operation that has completed a trial or pilot time period.
  - ii. The CEO shall issue a RFP, RFQu, RFI or other competitive process for all management services that do not qualify as “new” to evaluate the competence, ability and availability of any person or entity, and award the agreement to the successful vendor or for those management service agreements projected to net the Park District an amount greater than \$100,000.00, upon the recommendation of the CEO, the Board, may hire such vendor and authorize a contract therewith.

- iii. Contracts for management services under Section 2(f)(ii) of this Article may be for a an initial term not to exceed five (5) years, except where substantial capital improvements to be paid by the management entity are involved. The initial term of up to five (5) years may be on a year-to-year basis. Any such contracts may be renewed by the Board on one or more occasions, but the total number of years of all such renewals combined may not exceed the number of years of the initial contract term, which initial contract term may be on a year-to-year basis. Thereafter, any consideration of a further contract for the same service must first follow a competitive process, and then be accepted by the Board.

**Section 3. *Sponsorships and Other Revenue-Generating Opportunities with Third Parties.***

- a. Definitions:
  - i. "Sponsorship" shall mean a mutually beneficial business arrangement between the Park District and a third party, whereby the third party provides cash and/or in-kind services or products to the Park District in return for access to the Park Districts' marketing potential and brand. Sponsorships may include, but is not limited to, sponsorship of one or more of the Park District's services, projects, events, facilities, or activities.
  - ii. "Sponsorship agreement" shall mean a mutually beneficial, contractual agreement that reflects the business arrangement for the exchange of commercial and/or marketing benefits between the Park District and a sponsor for a specified period.
  - iii. "Other revenue-generating opportunities" shall mean opportunities other than management services in which the Park District derives income from unique activities or opportunities that are related to the Park District's mission under ORC Chapter 1545 in collaboration with a third party.
- b. Process: The Board may procure sponsorships and other revenue-generating opportunities by engaging in processes that involve an appropriately broad field of potential third parties in a manner that ensures open and effective competition.
  - i. For those sponsorships and revenue-generating opportunities where there are no Park District costs, the Park District staff has broad discretion in determining the open and effective competition process to determine the best opportunity.
  - ii. For those sponsorships and revenue-generating opportunities where the Park District is required to incur costs for goods, Article 5, Section 1 shall be followed.
  - iii. For those sponsorships and revenue-generating opportunities where the Park District is required to incur costs for services, Article 5, Section 2 shall be followed.

**Section 4. Procurement of Construction**

- a. *Cost Up To and including \$75,000.* In contracting for anything to be constructed at a cost up to and including \$75,000 unless otherwise required under ORC §§ 153.12 to 153.14, 9.33 to 9.334, or 153.65 to 153.71, inclusive, the CEO may, after considering no fewer than three quotes from persons or entities who could perform the contract and the competence, ability and availability of said person or entity, hire any such person or entity and authorize a contract therewith. Performance and payment bond requirements for construction contracts in the amount of \$75,000 or less may be waived at the discretion of the CEO.
- b. *Cost Over \$75,000.* For anything to be constructed at a cost of greater than \$75,000, the Board shall award all construction contracts to the bidder it determines to be the lowest and best bidder or the best value proposer, as the case may be, in accordance with the applicable provisions of ORC §§ 153.12 to 153.14, 9.33 to 9.334, or 153.65 to 153.71 inclusive.

**Section 5. Procurement Authority of CEO.**

- a. *Authority up to and including \$75,000.* The CEO is authorized to enter into contracts and contract amendments for construction, change orders, and to purchase equipment, goods and services, and real estate, without prior approval of the Board in each instance, if the cost of the contract or contract amendment, for any single project, or the amount of the purchase, does not exceed \$75,000. Any contracts where the cost exceeds \$25,000 or any purchase where the amount exceeds \$25,000, and approved by the CEO, shall be reported to the Board at its next regularly scheduled meeting following the execution of said contract or said purchase. The CEO is authorized to set a policy by which certain purchases up to and including \$75,000 are delegated to staff, provided such a policy includes spending levels not inconsistent with Section 2 and includes appropriate oversight of such purchases.
- b. *Change Orders.* For construction contracts that are greater than \$75,000, the CEO is not authorized to enter into any change orders to construction contracts, without prior approval of the Board in each instance, except that the CEO is authorized to enter into change orders to construction contracts, without prior approval of the Board in each instance,

where there is no additional cost (e.g., to amend a schedule) or the additional cost is less than THE LESSER OF: (i) \$75,000, or (ii) ten percent (10%) of the total cost of the contract at the time of the change order. Each change order by the CEO under this Section involving an increase in cost shall be reported to the Board at the next meeting of the Board following the execution of said change order. The aggregate value of all change orders authorized by the CEO shall not exceed fifty percent (50%) of the original contract value without prior approval of the Board. If the Board approves a revised contract value, then the aggregate value of all change orders issued after Board approval of the revised contract value shall not exceed fifty percent (50%) of the revised contract value without additional approval of the Board.

c. Amendment to Non-Construction Contracts. For all non-construction contracts greater than \$75,000, the CEO is not authorized to enter into any amendment to a non-construction contract, without prior approval of the Board in each instance, except that the CEO is authorized to enter into amendments to contracts, without prior approval by the Board in each instance, where there are no additional fees (e.g., to amend a schedule) or the additional fees are less than THE LESSER OF: (i) \$75,000, or (ii) ten percent (10%) of the total cost of the contract at the time of the amendment. Each amendment by the CEO under this Section involving an increase in fees shall be reported to the Board at the next meeting of the Board following the execution of said amendment. The aggregate value of all amendments authorized by the CEO shall not exceed fifty percent (50%) of the original contract value without prior approval of the Board. If the Board approves a revised contract value, then the aggregate value of all change orders issued after Board approval of the revised contract value shall not exceed fifty percent (50%) of the revised contract value without additional approval of the Board.

e.d. Increases to the Procurement of Goods. For the purchase of goods greater than \$75,000 previously approved by the Board, the CEO is not authorized to approve an increase to the total cost of the goods or add additional goods to the order, without prior approval of the Board in each instance, except that the CEO is authorized to approve an increase to the total cost of the goods or add additional goods to the order, without prior approval of the Board in each instance, where the increase in purchase price or cost of the additional goods is consistent with ORC §§307.86 – 307.91 and is less than THE LESSER OF: (i) \$75,000, or (ii) ten percent (10%) of the total cost of the goods at the time of the purchase. Each increase in the total cost of the goods or addition of additional goods under this Section shall be reported to the Board at the next meeting of the Board following such authorization. The aggregate value of all authorizations by the CEO under this Section shall not exceed THE LESSER OF: (i) \$75,000, or (ii) fifty percent (50%) of the original purchase price of the goods authorized by the Board.

d.e. Emergencies. All goods and services must be procured in accordance with Sections 1, 2, 3 and 4 of this Article 5, except that when, due to an emergency beyond the control of the Board, or any of its officers, employees or agents, the CEO determines that the delay in utilizing the quoting, bidding or proposal process or the delay in bringing a contract in excess of \$75,000 to the Board for approval would create a real and present danger to the health, safety or well-being of the public, Board employees, or Park animals or turf or other significant resources, the CEO shall be deemed authorized, after considering the competence, ability, availability and price of any person, firm, or corporation, with respect to any services or goods, including without limitation services and goods, to hire the person, firm, or corporation and to execute a contract with such person, firm or corporation. In the case of purchases greater than \$75,000 the CEO shall report such actions to each member of the Board by telephone, e-mail or facsimile transmission within one workday of such actions and by written summary of such actions containing the determination and the reasons therefore at the next meeting of the Board for ratification of the emergency contract by the Board.

## Section 6. No value or use.

- a. *Sale at Auction.* Personal property not needed for Park purposes, the estimated value of which is less than \$25,000, may be sold upon approval by the CEO at public auction or by informal quotations to the highest informal bidder. Personal property not needed for Park purposes, the estimated value of which is \$25,000 or greater, may be sold upon approval by the Board at public auction or by informal quotations to the highest informal bidder. The auctioning of property set forth in this Section 6(a) may be conducted via internet auction.
- b. *Sale other than at Auction.* Personal property not needed for Park purposes, the estimated value of which is \$2,500 or less but that is not obsolete or unfit for the use for which it was acquired, may be auctioned at a public auction, sold at a public sale or to a private purchaser at a market price or, if there is no market price, a reasonable price, or donated to an organization or individual deemed appropriate in the CEO's discretion.
- c. *Disposal of Obsolete or Unfit Items.* Personal property that is obsolete or unfit for the use for which it was acquired or that has no useful value may be disposed of consistent with Section 6(b) or discarded.

d. *Donation or Disposal of Items Not Saleable.* When the CEO or Board has offered personal property for sale at public auction or sale at least once pursuant to Subsection 6(a) or 6(b), and the property has not been sold, the CEO, for property valued at less than \$25,000, or the Board, for property valued at \$25,000 or more, may authorize the sale of the property at a private sale or to a private purchaser, discard the property, or donate the property to an organization or individual deemed appropriate in the CEO's discretion.

Section 7. Certification by CFO. All contracts will be certified by the CFO for sufficiency of funds.

Section 8. Rejection of Bids and/or Proposals. In awarding any contracts pursuant to Article 5 of the By-Laws, the Board may choose to reject all bids and/or proposals.

Section 9. No Split or division. No contract may be artificially split or divided so as to avoid any of the bidding requirements provided in these By-Laws.

## ARTICLE 6. APPROVAL OF VOUCHERS

Section 1. Voucher for Payment. All vouchers in payment of bills shall be certified by the CEO and then ratified for payment by a resolution duly approved by the Board at the board meeting immediately following payment.

Section 2. Approval of Payment. The resolution authorizing payment shall not include any voucher which has not been first approved by the proper employee of the Board, as to its quantity, quality, price, validity and legality.

Section 3. Certification. The CFO shall not issue his/her check unless the voucher is certified by the CEO.

## ARTICLE 7. PERMANENT FILES

No papers or documents belonging to the permanent files of the Board shall be taken out of the office of the Board, except upon approval of the Board, or upon legal process.

## ARTICLE 8. SETTLEMENT AUTHORITY

Section 1. Value. The following Board employees or insurance carriers pursuant to the terms of an agreement approved by the Chief Legal & Ethics Officer shall have authority to settle claims arising against the Board for up to and including the following amounts: Insurance Carrier: \$10,000; Director of Risk Management--\$50,000; Chief Legal & Ethics Officer--\$75,000; CEO--\$250,000.

Section 2. Limit of Authority. No such claim shall be settled for more than \$250,000 without the prior approval of the Board through passage of a resolution.

All previous resolutions pertaining to the bylaws of the Board of Park Commissioners of the Cleveland Metropolitan Park District are hereby repealed.

Approved this 1820<sup>th</sup> day of March-December 2025.

## CHIEF EXECUTIVE OFFICER'S REPORT

### JANUARY 15, 2026

#### **ACTION ITEMS.**

##### **(a) *Swearing in of Police Officer***

*(Originating Source: Kelly J. Stillman, Chief of Police)*

##### **Ronald Milligan**

Officer Milligan earned a Bachelor of Science in Pre-Medical/Biology with a minor in Chemistry from Walsh University. He went on to complete his Peace Officer Training at the Ohio State Highway Patrol Academy. Officer Milligan began his law enforcement career in August 1999 with the Parma Police Department and currently serves at the Cuyahoga Community College Parma Campus.

#### **RECOMMENDED ACTION:**

That the Board appoint Ronald Milligan as a full-time police officer for Cleveland Metroparks as authorized by Section 1545.13 of the Ohio Revised Code.

##### **(b) *2025 Budget Adjustment No. 12***

*(Originating Sources: Wade Steen, Chief Financial Officer/Brian M. Zimmerman, Chief Executive Officer)*

The following amendments are requested for Board approval:

**ACTION ITEMS (cont.)**

An explanation of adjustments, by category, can be found on pages 37 to 38. The net effect of all adjustments is an increase of \$330,300 which is funded by increased revenue, donations, grants, or received but previously unappropriated funds.

**RECOMMENDED ACTION:**

That the Board of Park Commissioners approve 2025 Budget Adjustment No. 12 for a total increase of \$330,300 as delineated on pages 37 to 38.

**(c) *Designation of 2026 Legislative Consultant***

*(Originating Source: Brian M. Zimmerman, Chief Executive Officer)*

**Background**

It is beneficial for Cleveland Metroparks to retain legislative consulting services related to the State of Ohio to monitor State programs, laws, and initiatives that impact the Park District. Local government funding, state grants, workers' compensation, etc., represent examples of Ohio legislative policy which potentially affect Cleveland Metroparks.

**Recommendation Re: Capitol Consulting Group, Inc.**

During November and December of 2009, the Board interviewed potential legislative consulting groups, and on February 25, 2010, the Board awarded 2010 consulting services to Capitol Consulting Group, Inc., located in Columbus, Ohio and led by President Dan Jones. Since that time, the Cleveland Metroparks CEO has met with other consulting groups and compared costs and services.

Having worked successfully with Mr. Jones since 2010, staff has concluded that Capitol Consulting Group would continue to be effective in representing Cleveland Metroparks. Capitol Consulting has submitted a fee proposal and scope of work for professional services to commence January 1, 2026, payable in installments of \$2,750 per month, for an annual fee of \$33,000. Capitol Consulting Group, Inc. continues to be a strategic partner for a modest cost on key state legislative matters.

**RECOMMENDED ACTION:**

That the Board authorize the Chief Executive Officer to execute an agreement with Capitol Consulting Group, Inc., in form acceptable to the Chief Legal and Ethics Officer, for legislative consultant professional services from January 1, 2026 through December 31, 2026, at the rate of \$2,750 per month, for a total annual fee of \$33,000.

**(d) *Lakefront Reservation: Amendment to The Wanderlust Group, Inc. dba Dockwa Marina Management Software Services Agreement – Increase in Fees to Add North Coast Harbor Marina***  
*(Originating Sources: Michelle McHale, Director of Procurement/Jarrod McCarthy, Director of Enterprise Operations)*

In 2018, Cleveland Metroparks began utilizing marina management software to manage dock rental contracts, contract renewals, boater communications, electronic dock payments, and many other services in a guest focused, user friendly, and efficient way.

**ACTION ITEMS (cont.)**

In 2021, Cleveland Metroparks began using the The Wanderlust Group, Inc. dba Dockwa (“Dockwa”) software system. Dockwa is an industry leader in marina management and transient dock software and their software product is the only marina management software solution that can handle all aspects of Cleveland Metroparks’ complex needs, including managing seasonal and transient dockage from one software system, and automated gate access to keep transient docks secure. Single Source #6584 was approved by the Board pursuant to Resolution No. 21-06-081 for a three-year period beginning June 17, 2021 through June 30, 2024, with an option to renew for an additional three-year period.

At the August 15, 2024 Board meeting, the Board was informed of the \$69,366 estimate with The Wanderlust Group, Inc., on the “Goods and Services (\$25,000 - \$75,000) Acquired” list for the Dockwa marina software system for E. 55<sup>th</sup> Marina and Emerald Necklace Marina through June 29, 2027. At this time, Cleveland Metroparks seeks to add the newly acquired North Coast Harbor Marina to the existing Dockwa contract with an increase in fees of \$12,075 and a contingency amount of \$8,559 for a new total amount of \$90,000.

In light of this, the Board is hereby asked to approve an increase of \$20,634 to the award amount. Since the original purchase order was for an amount less than \$75,000, the Board viewed the information item (on the \$25,000 - \$75,000 list) but did not approve the recommended action. The cross-over to the \$75,000 and above level now is authorized by the by-laws as the purchase is a single source but requires Board approval for a revised amount as follows:

ORIGINAL AWARD:	\$ 69,366
Additional consumption estimate:	\$ 12,075
Contingency estimate:	\$ 8,559
REVISED TOTAL AWARD	\$ 90,000

Consequently, an increase in the total amount, as shown above, is recommended for approval by the Board at this time.

**RECOMMENDED ACTION:**

That the Board authorize the Chief Executive Officer to enter into an amendment in a form approved by the Chief Legal & Ethics Officer between Cleveland Metroparks and The Wanderlust Group, Inc. dba Dockwa to the Software Services Agreement for a fee increase as presented above in the amount of \$20,634 pursuant to the agenda originally reported to the Board on August, 15, 2024, for a revised total amount of \$90,000.

**ACTION ITEMS (cont.)**

(e) ***Contract Amendment No. 1/Guaranteed Maximum Price #1 – Contract #1841 – RFP #6931-b, Construction Manager at Risk for Cleveland Metroparks Irishtown Bend Park Components, Lakefront Reservation***  
*(Originating Sources: Sean E. McDermott, P.E., Chief Planning and Design Officer/Michele Crawford, Director of Project Development/Seth Keller, Project Manager)*

**Background**

The 2018 Irishtown Bend Vision Plan (“Plan”), a conceptual design framework for a new park to be constructed following a hillside stabilization and bulkheading project along Irishtown Bend in Cleveland led by the Port of Cleveland (“Port”), was developed through a community-led process funded by a Transportation for Livable Communities Initiative (“TLCI”) study through the Northeast Ohio Areawide Coordinating Agency (“NOACA”). The Plan was sponsored by the Port in partnership with Ohio City Incorporated (“OCI”) and L.A.N.D studio, Inc. (“LAND”), and since its publication, LAND has been advancing planning and fundraising for the Irishtown Bend Park (“Park”) utilizing Plural, a landscape architecture firm based in San Francisco, California. Construction of the Park is planned to occur following the Port’s stabilization project, which was designed by Osborn Engineering Company (“Osborn”), commenced in August 2023, and is expected to conclude during the first quarter of 2026.

While Cleveland Metroparks’ involvement in the Irishtown Bend Park had previously been as a stakeholder and sponsor of the Cleveland Foundation Centennial Lake Link Trail/Franklin Enhancements at the base of the hillside, in September 2024, Cleveland Metroparks was awarded \$10,800,000 from the National Park Service’s Outdoor Recreation Legacy Partnership program for park improvements on Irishtown Bend. A contract with the Ohio Department of Natural Resources to finalize the funding is underway.

On March 20, 2025, the Board authorized (Board Resolution No. 25-03-045) Cleveland Metroparks to enter into project development and other associated agreement(s) with entities, agencies, and project partners including but not limited to LAND, the City of Cleveland, the Port, the Greater Cleveland Regional Transit Authority, the Northeast Ohio Regional Sewer District, OCI, West Creek Conservancy (and their subsidiaries and affiliates), and other related parties, as reasonably necessary, for development of the Park. As a part of the project development agreement between Cleveland Metroparks, OCI, and LAND, Cleveland Metroparks has a commitment to contract for and be responsible for managing the preparation of plans for elements of the Park. LAND has committed to grant funds for approved actual costs for engineering, design and construction cost for project elements, and will continue to conduct a fund-raising campaign to raise philanthropic, public, and private grant funds with the goal of funding and completing as many of the project elements with a goal of \$45,000,000 raised.

On July 17, 2025, the Board authorized (Board Resolution No. 25-07-110) Cleveland Metroparks to enter into a professional services contract with Osborn Engineering for the design and engineering of Irishtown Bend Park Components project. Osborn is currently

## **ACTION ITEMS (cont.)**

the engineer of record for both the Port's stabilization project as well as the Lake Link Trail/Franklin Enhancements.

Since early 2025, Cleveland Metroparks has worked with the Ohio Department of Transportation ("ODOT") to receive approval to construct the Lake Link Trail/Franklin Enhancements, which includes federal transportation funds utilizing the Construction Manager at Risk ("CMAR") project delivery method. ODOT's District 12 office, ODOT's Central Office, and the Federal Highway Administration have all reviewed and approved the subsequent Request for Qualifications and Request for Proposal to secure the CMAR partner. Furthermore, it was important to Cleveland Metroparks that both Lake Link Trail/Franklin Enhancements and Irishtown Bend Park Components be delivered by the same contractor, but under separate contracts and separate Guaranteed Maximum Price process.

On June 25, 2025, Cleveland Metroparks advertised a Request for Qualifications (RFQ #6931) for interested parties to submit qualifications related to the performance of Construction Manager at Risk for the federally funded PID 89034 CUY Lake Link Trail/Franklin Enhancements and the Irishtown Bend Park Components, Lakefront Reservation. On September 18, 2025, the Board awarded a Construction Manager at Risk Contract to The Great Lakes Construction Co. ("Great Lakes") for the Project (Board Resolution No. 25-09-140). At the time of the Board's award, only the preconstruction stage compensation was fixed at \$132,000 under the Irishtown Bend Park Components contract. Per the contract, a Guaranteed Maximum Price ("GMP") for construction would then be developed and brought back to the Board for approval.

Since September, the project team has been working through project turnover from the Port's stabilization project and the Irishtown Bend Park Components project. The bulk of the construction of the Park Components will take place during the 2027-2028 construction seasons, however ahead of that there needs to be an early enabling GMP to cover front end costs of work. These items include temporary perimeter security fencing for the entire project, temporary fall protection in areas beyond the construction along the river, a portion of mobilization, and early sanitary and water taps needed ahead of the Lake Link Trail Project for the Park Project.

### **GMP #1 Establishment**

Great Lakes has established the below GMP #1 based upon the Stage 2-3 Lake Link Trail/Franklin Enhancements and Irishtown Bend Park Components Schematic Plans provided by the design team and bids and estimates provided by Great Lakes and their subcontractors.

<b>GMP #1 ITEMS</b>	<b>COST</b>

GMP #1 Cost of Work Subtotal	\$531,332
<b>GMP #1 FEES</b>	
Construction Contingency (1.8%)	\$ 9,564
General Conditions (5.5%)	\$ 29,223
CMR Fee (3.5%)	\$ 18,597
GMP #1 Fee Subtotal	\$ 57,384
Owners Contingency	\$ 50,000
<b>GMP #1 TOTAL</b>	<b>\$638,716</b>

**Construction Schedule**

Upon approval and execution, GMP #1 of the Irishtown Bend Park Project will begin in February 2026 with establishing the site perimeter fencing. Cleveland Metroparks Staff will return to the Board soon for an update on the Lake Link Trail GMP development and follow with several phased GMP's for park improvements in the coming months.

**RECOMMENDED ACTION:**

That the Board authorize the Chief Executive Officer to amend the Guaranteed Maximum Price #1 (GMP #1) contract with **The Great Lakes Construction Co.** for the construction of RFP #6931-b, Irishtown Bend Park Components, Lakefront Reservation, to reflect a **GMP #1** in the amount of **\$638,716** which will be an amount in addition of \$132,000 already awarded for Pre-Construction Stage Services, for a total **contract valued at \$770,716**, in a form of contract to be approved by the Chief Legal and Ethics Officer.

(f) ***Professional Services Agreement – RFQu #6975/PID 89034 – CUY-Lake Link/Franklin Enhancements, Lakefront Reservation – Professional Construction Inspection Services for Cleveland Metroparks***  
*(Originating Sources: Sean E. McDermott, P.E., Chief Planning and Design Officer/ Michele Crawford, Director of Project Development/Seth Keller, Project Manager)*

**Background**

The Irishtown Bend Vision Plan (2018) (“Plan”), a conceptual design framework for a new park (“Irishtown Bend Park”) to be constructed following a hillside stabilization and bulkheading project along Irishtown Bend led by the Port of Cleveland (“Port”), was developed through a community-led process funded by a Transportation for Livable Communities Initiative (“TLCI”) study through the Northeast Ohio Areawide Coordinating Agency (“NOACA”). The plan was sponsored by the Port in partnership with Ohio City Incorporated (“OCI”) and L.A.N.D. studio, Inc. (“LAND”), and since its publication, LAND has been advancing planning and fundraising for the Park. Construction of the Park is planned to occur following the Port’s stabilization project, which was designed by Osborn Engineering Company (“Osborn”), commenced in August 2023, and is expected to conclude by early 2026.

## **ACTION ITEMS (cont.)**

The trail project will fill the critical gap in the regional trail network that connects the 101-mile Ohio and Erie Canal Towpath Trail to Lake Erie (“Trail Project”). The Trail Project will eventually serve as the multi-modal centerpiece of the future Irishtown Bend Park. The Cleveland Foundation Centennial Lake Link Trail, stretching from the Towpath Trail near Scranton Road to the Willow Avenue Lift Bridge, has been constructed in phases, with segments opening in 2015, 2017, and 2021. The final segment along Irishtown Bend Park will include approximately 0.5 miles of all-purpose trail and a riverfront promenade. Cleveland Metroparks is assuming sponsorship of the Franklin Enhancements project from NOACA at their request and with support from the City of Cleveland. The Trail Project includes the construction of a sidewalk and other streetscape improvements ascending the Irishtown Bend hillside along Franklin Avenue. Cleveland Metroparks, through its consultant Osborn, recently completed the final design.

Cleveland Metroparks anticipates construction of the Trail Project to start in the first or second quarter of 2026 following the completion of the Port’s stabilization project. Since early 2025, Cleveland Metroparks has worked with the Ohio Department of Transportation (“ODOT”) to receive approval to construct the Trail Project, which includes federal transportation funds utilizing the Construction Manager at Risk (“CMAR”) project delivery method, and on September 18, 2025, the Board authorized (Board Resolution No. 25-09-140) Cleveland Metroparks to enter into a CMAR contract with The Great Lakes Construction Co. (“Great Lakes”).

The construction inspection is partially funded by federal funds, and, therefore, must follow the ODOT consultant selection process in compliance with Ohio Revised Code Sections 153.65 through 153.71 and Federal Regulation 23 C.F.R. 172. On November 17, 2025, Cleveland Metroparks issued a Request for Qualifications (RFQu #6975) for interested ODOT prequalified parties to submit qualifications for Professional Consulting Services for Cleveland Metroparks Construction Inspection for the Trail Project in the form of a letter of interest (“LOI”) that was posted through the Programmatic Selection Process used by ODOT which requires responding firms to answer qualification questions within a set format.

### **RFQu Response and LOI Analysis**

Cleveland Metroparks staff prepared RFQu #6975 and requested that the respondents demonstrate qualifications relative to Trail Project’s scope, which includes providing comprehensive inspection and supplemental testing services for the Project. The professional services RFQu yielded seven (7) responses from highly qualified consultant teams. Pursuant to Ohio Revised

Code 153.69, statements of qualifications were reviewed by a panel of Cleveland Metroparks staff, including Seth Keller, Michele Crawford, Sean McDermott, and Chris Papp.

Through an independent evaluation of the qualifications, the review panel determined a short list of three firms based off of key personnel, understanding of the general project approaches, and ability to meet stated objectives. CTL Engineering Inc., Greenman-Pedersen, Inc. (“GPI”), and Quality Control Inspections, Inc. (“QCI”) were the short-listed firms. These selected teams have the project experience needed, familiarity with the federal project service scopes and can provide services for construction inspection and administration as was outlined in the RFQu.

**Proposal Analysis**

Due to the Trail Project parameters, GPI was deemed to be the most qualified for the Project. GPI has personnel available with extensive experience with ODOT Local Public Agency (“LPA”) projects, and most recently completed the Hawthorn Bridge Rehabilitation project for Cleveland Metroparks. A fee proposal was requested from GPI for the federally funded LPA administered Trail Project. GPI proposed a not-to-exceed cost of \$591,909 (\$560,049 for Cleveland Foundation Centennial Lake Link Trail and \$31,860 for Franklin Enhancements), billed hourly, which will cover the following items:

- Scheduling and Administering All Progress Meetings (the Contractor is responsible for meeting agenda and minutes);
- Reviewing and approving the Contractor’s Schedule;
- Administering the submittal process and SBE Documentation and Interviews;
- Administering Project Bill of Materials (PBOM) for materials management and utilizing for Control of Materials;
- Establishing and updating of the LPA Files and Support Information (SHPT Site);
- Organizing all close out documentation and following through on any ODOT audit deficiencies;
- Providing Active Contract Administration, to Ensure the Work Observed Conforms with the Contract Documents;
- Providing Full Time On-site Observation and Documentation of the Contractor’s Work;
- Completing Daily Construction Activity Reports;
- Tracking Weather Conditions, Materials, Labor, and Equipment;
- Collecting All Material Documentation;
- Scheduling Verification Testing as Needed or Requested;
- Reviewing and Providing Recommendations for Project Invoices, Requests for Information, and Construction Disputes; and
- Complete Project Closeout within 90 days after Project Completion.

**RECOMMENDED ACTION:**

That the Board authorize the Chief Executive Officer to enter into a Professional Services Agreement as per RFQu #6975, for the inspections of the CUY-Lake Link/Franklin

**ACTION ITEMS (cont.)**

Enhancements with Greenman-Pedersen, Inc., in the not-to-exceed **amount of \$591,909**, for construction administration and inspection services. Due to the use of federal funds, Cleveland Metroparks must utilize ODOT's standard letter agreement to engage Greenman-Pedersen, Inc. The letter agreement and the form of any additional agreements as may be reasonably necessary to effectuate the above shall be approved by the Chief Legal and Ethics Officer, pursuant to the associated proposal dated December 30, 2025.

(g) ***Contract Amendment No. 4/Guaranteed Maximum Price #4 – Contract #1670 – Construction Manager at Risk, RFP #6666-b, Cleveland Metroparks Patrick S. Parker Community Sailing Center – Lakefront Reservation***  
*(Originating Sources: Sean E. McDermott, P.E., Chief Planning and Design Officer/Seth Keller, Project Manager/Ryan Denker, Architect/Christopher Widdowson, Architect/Michele Crawford, Director of Project Development)*

**Background**

On May 24, 2022, Cleveland Metroparks advertised a Request for Qualifications (RFQu #6666) for interested parties to submit qualifications related to the performance of Construction Manager at Risk for the Cleveland Metroparks Lakefront Building, Lakefront Reservation (“Project”). On August 18, 2022, the Board awarded a Construction Manager at Risk Contract to Whiting-Turner Contracting Company (“Whiting-Turner”) for the Project (Board Resolution No. 22-08-117). At the time of the Board’s award, only the preconstruction stage compensation was fixed at \$85,000. Per the contract, a Guaranteed Maximum Price (“GMP”) for construction is then developed and brought back to the Board for approval.

The Project’s desired outcome is to be the first of its kind along Lake Erie in Ohio, providing unprecedented public access and free and low-cost sailing opportunities to the community in a state-of-the-art facility. The facility will feature multi-purpose learning spaces, indoor and outdoor community areas, concessions and dining, a roof deck, overlook tower, and a separate boathouse that will serve as the sailing hub. Employing universal design principles, the Sailing Center will be fully accessible, from adaptive equipment to wheelchair-accessible facilities, going beyond the American with Disabilities Act (“ADA”) compliance to create an environment where every individual can thrive.

Since 2022, the design team consisting of Cleveland Metroparks and Osborn Engineering have worked extensively to progress the design of the Project. Design had reached the point on February 20, 2025 for the Board to award a Guaranteed Maximum Price #1 (“GMP #1”) (Board Resolution No. 25-02-023) for demolition of the existing structure, electrical work, and procurement of long lead time materials in the amount of \$4,082,493. On April 17, 2025, the Board awarded a Guaranteed Maximum Price #2 (“GMP #2”) (Board Resolution No. 25-04-056) in the amount of \$11,046,514 for the “core and shell” package to construct the East and West buildings including deep foundations, vertical construction, interior construction, mechanical, electrical, plumbing, and site construction. On July 17, 2025, the Board awarded a Guaranteed Maximum

## **ACTION ITEMS (cont.)**

Price #3 (“GMP #3”) (Board Resolution No. 25-07-109) in the amount of \$1,432,445 for the building “finishes” package for the West building as well as scope reduction credit back to Cleveland Metroparks for the West building interior construction.

Since construction commenced in the spring, Whiting-Turner has made great progress on the buildings. To date the East building is nearly weather tight with crews working on interior framing and MEP installations. Drywall has begun in some areas of the building as well. The West building has begun going vertically with the pre-engineered metal building being installed. As the buildings have made progress, site improvements design at the West building have been ongoing. Those site improvements include a boat ramp, an access dock to connect to the Foundry’s existing dock, and the installation of the davit crane all to serve the programming needs at the West building. Additionally, included in this GMP #4 is the project exterior signage package for both buildings which is being transferred from Cleveland Metroparks responsibility to Whiting-Turner.

### **GMP #4 Establishment**

Whiting-Turner has established the below GMP #4 based upon 75% construction drawings and specifications provided by the design team and bids and estimates provided by Whiting-Turner and their subcontractors.

<b>GMP #4 ITEMS</b>	<b>COST</b>
Building Signage	\$99,655
Electrical	\$19,000
Site Improvements (Dock, Boat Ramp, Davit)	\$940,672
General Requirements	\$14,950
GMP #4 Cost of Work Subtotal	\$1,074,277
<b>GMP #4 FEES</b>	
Construction Contingency (3.0%)	\$32,228
General Conditions/Insurance/Bond (7.2%)	\$77,348
CMR Fee (2.0%)	\$21,486
GMP #4 Fee Subtotal	\$131,062
Subcontractor Default Insurance (SDI) (1.2%)	\$12,891
GMP #4 TOTAL	<b>\$1,218,230</b>

### **Construction Schedule**

On March 31, 2025, Whiting-Turner mobilized on site for work formerly authorized through GMP #1 and completed demolition of the existing building at the end of April 2025 and immediately followed with site preparation items in GMP #2. GMP #3 items will be performed following completion of items in GMP #2. The Project anticipates buildings being complete in Spring of 2026. Cleveland Metroparks Staff will monitor construction progress and supply chain challenges and provide updates to the Board.

## **ACTION ITEMS (cont.)**

### **RECOMMENDED ACTION:**

That the Board authorize the Chief Executive Officer to amend the Guaranteed Maximum Price #4 (GMP #4) contract with **Whiting-Turner Contracting Co.** for the construction of RFP #6666-b, Patrick S. Parker Community Sailing Center, Lakefront Reservation, to reflect a **GMP #4** in the amount of **\$1,218,230** which will be an amount in the addition of \$85,000 awarded for Pre-Construction Stage Services, \$4,082,493 for GMP #1, \$11,046,514 for GMP #2, and \$1,432,445 for GMP #3 for a total **contract valued at \$17,864,682** in a form of contract to be approved by the Chief Legal and Ethics Officer.

**(h) *Amendment No. 1 – Contract #1781 – Cleveland Metroparks Bridge Inspection and Engineering Support Program, 2025 through 2030; 2026 Bridge Inspections and Summary Reports Proposal***

*(Originating Sources: Sean E. McDermott, P.E., Chief Planning and Design Officer/Christopher J. Papp, P.E., Park District Civil Engineer)*

### **Background**

The State of Ohio requires governmental entities to have a state compliant bridge inspection program for all bridges used by public vehicles. The Ohio Department of Transportation (ODOT) requires that the inspections be performed by an entity qualified and certified to perform such work. An annual condition report for each roadway bridge is uploaded to an ODOT database (AssetWise). ODOT now requires bridges to be evaluated according to the Standard National Bridge Inventory (SNBI) process. All of Cleveland Metroparks bridges have been converted to this new system as of 2025.

On June 13, 2024, Cleveland Metroparks issued RFQu #6855 for interested engineering firms to provide statements of qualifications for bridge inspection and/or bridge rehabilitation/replacement engineering design services for the period from 2025 through 2030. The last couple of multi-year periods of inspections note 45, 47, and 49 roadway bridges and their conditions are summarized below according to the ODOT rating system:

Condition Category	Description of Condition	2013 Condition	2019 Condition	2025 Condition
Excellent, Very Good or Good	No work needed	12	16	14
Satisfactory or Fair	Minor deficiencies, still functioning as designed	25	21	27
Poor or Serious	At least one component with a major deficiency, in need of repair to continue functioning as designed	7	9	7

## **ACTION ITEMS (cont.)**

On October 17, 2024, Cleveland Metroparks entered into a contract with Arcadis US, Inc. (“Arcadis”) pursuant to RFQu #6855 (Board Resolution No. 24-10-140) for the 2025 Bridge Program Inspection and Summary Reports (“Project”) in the amount of \$253,500.

### **Proposal Analysis**

While the consultant selection, and the resulting contract, is for a six (6) year period, a separate request for proposal (RFP) is issued each year for the specific tasks identified during the capital improvement planning process. At this time, Staff is requesting that the Board consider a proposal that covers the annual tasks for 2026. On November 20, 2025, an RFP was issued to Arcadis. On December 22, 2025, Arcadis provided a cost proposal. All costs are considered maximum, not-to-exceed fees. At this time, there are 49 roadway bridges to be annually inspected for 2026. Staff will return to the Board with future amendments as required. Arcadis’ proposed not-to-exceed cost of \$182,700 will cover the following scope:

<b>TASK</b>	<b>AMOUNT</b>
1. Annual ODOT bridge safety inspections (49), input into to ODOT’s database*	\$30,000
2. Submittal of the bridge condition report for the above	\$37,800
3. On-call response for bridge condition events	\$23,300
4. Annual Park-wide Maintenance Program	\$62,400
5. 5-Year Capital Repair and Rehabilitation Plan - if authorized	\$16,700
6. Municipal Bridge Fund Application Assistance - if authorized	\$12,500
<b>TOTAL</b>	<b>\$182,700</b>

\*ODOT is performing some of the inspections at no cost to the Park District

### **RECOMMENDED ACTION:**

That the Board authorize the Chief Executive Officer to execute Amendment No. 1, as per RFQu #6855 with **Arcadis US, Inc.**, for professional services as summarized above, for an additional not-to-exceed amount of **\$182,700**, resulting in a total revised contract amount not-to-exceed of **\$436,200**, for 2026 Bridge Inspection and Engineering Support Services as outlined above in a form acceptable to the Chief Legal and Ethics Officer, pursuant to a proposal dated December 22, 2025.

### **(i) Project Development Agreement Amendment No. 1 for Site Preparation and Demolition at the Former Euclid Beach Mobile Home Park – Euclid Creek Reservation**

*(Originating Sources: Sean E. McDermott, P.E., Chief Planning and Design Officer/Andrew Stahlke, Project Developer)*

Western Reserve Land Conservancy (“WRLC”), through a subsidiary named EBMHC, LLC (“EBMHC”) acquired a 28.8-acre lakefront property on Lakeshore Boulevard in the City of Cleveland located adjacent to the Euclid Creek Reservation. Cleveland Metroparks, EBMHC, and WRLC subsequently entered into an Agreement of Purchase and Sale (“PSA”) (Resolution No. 24-05-065) whereby Cleveland Metroparks agreed to acquire the property (“Property”) for \$5,800,000.

**ACTION ITEMS (cont.)**

The Property is one of the few remaining lakefront parcels of its size in the City of Cleveland and is nearly fully surrounded by Cleveland Metroparks Euclid Creek Reservation. The Property included the Euclid Beach Mobile Home Park, which was fully vacated prior to acquisition by Cleveland Metroparks. EBMHC followed the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act (“URA”) with regard to the relocation of any eligible household that was residing on the Property to ensure a fair and equitable relocation of the residents. Acquisition of the Property contributes to Cleveland Metroparks goal of protecting our region’s lakefront and allows Cleveland Metroparks to protect, restore, and manage the Property to expand upon the lakefront portion of Euclid Creek Reservation, creating more opportunities for access to and exploration of the shores of Lake Erie.

The acquisition of the Property by Cleveland Metroparks was contingent upon the award of funds from the Clean Ohio Conservation Fund in the amount of \$5,000,000 (“Clean Ohio”), EBMHC following and certifying the URA process to ensure that all residents had been appropriately and fairly relocated, and EBMHC’s removal of all the manufactured/mobile homes (“PSA Obligations”). The PSA was later amendment to add conditions to closing including, but not limited to, confirmation of utility termination, removal of other infrastructure, and overall clearing and restoration (“Additional Obligations”). Cleveland Metroparks, WRLC, and EBMHC have collaboratively worked with the Cuyahoga County Land Reutilization Corporation (“Land Bank”) to perform the PSA and Additional Obligations based upon funding that the Land Bank has obtained under a Demolition Funding Agreement.

Upon closing, Cleveland Metroparks entered into a Project Development Agreement with the Land Bank to cover the PSA and Additional Obligations that are performed after the Closing Date. For the Additional Obligations, Cleveland Metroparks has assumed the obligations of the Demolition Funding Agreement and will provide the Land Bank with a 25% match of the costs of performing the Additional Obligations and other related site preparation and demolition work. As demolition and site restoration and preparation scope has been developed and subsequent bids have been and will be received and contracts executed by the Land Bank, the total 25% match provided by Cleveland Metroparks is expected to exceed \$75,000 but be no more than \$150,000.

**RECOMMENDED ACTION:**

That the Board authorize the Chief Executive Officer to execute Amendment No. 1 to the Project Development Agreement with the **Cuyahoga County Land Reutilization Corporation**, for additional infrastructure demolition and site clearing as outlined above, resulting in a revised total not-to-exceed amount of \$150,000, in a form to be approved by the Chief Legal and Ethics Officer.

**AWARD OF BIDS/RFPs/CO-OPS/SINGLE SOURCES (cont.)****SINGLE SOURCE RENEWAL #6713 SUMMARY: MOBILE APP ENHANCEMENTS AND INTEGRATIONS****Background**

In 2020, Cleveland Metroparks released RFP #6513 for a Mobile Application with plans to publicly release a robust mobile application in spring of 2021 to provide guests with an opportunity to explore Cleveland Metroparks and engage in various Cleveland Metroparks offerings prior to, as well as during, their visit to the Park District.

Initial research was conducted by Cleveland Metroparks staff to identify user preferences on key feature sets and mobile application functionality. The research concluded that three (3) areas of mobile app functionality were most important to guests: 1) the ability to find a trail, 2) finding locations of popular spots, and 3) access to downloadable maps.

Therefore, the three (3) key feature sets included in the proposal (RFP #6513) were: 1) Maps, Directions & Wayfinding, 2) Events, Activities & Registrations, and 3) Content & Interactive Experiences.

Cleveland Metroparks received 16 proposals. The following four (4) vendors submitted proposals that met the required criteria: AgreeYa, M Genio, Recess Creative LLC, and Sudhi.

Based upon the criteria and scoring, staff recommended Recess Creative LLC, as the preferred vendor as they provided the overall best value and qualifications for Cleveland Metroparks' mobile app and project development which began in 2021. Since then, Recess Creative LLC has proven to be a reliable partner for support and maintenance services for the "Find Your Path" iOS and Android mobile app including documenting and maintaining the knowledge base around its development life cycle.

In December 2022, the Board was asked to approve the renewal of the partnership between Cleveland Metroparks and Recess Creative LLC for a three-year agreement beginning April 1, 2023 through March 31, 2026, with an option to renew for an additional two (2) year period at Cleveland Metroparks' sole discretion in the amount of \$260,000 and a total five (5) year amount of \$650,000. The Board approved Recess Creative LLC for the three (3) year contract period, with an option to renew for an additional two (2) year period (Resolution No. 22-12-193).

At this time, staff recommends renewal of the contracted services from Recess Creative LLC for an additional two (2) year period, for a total five (5) year cost of \$650,000.

**RECOMMENDED ACTION:**

That the Board authorize the Chief Executive Officer to amend the existing agreement, in a form approved by the Chief Legal & Ethics Officer, between Cleveland Metroparks and **Recess Creative LLC, as per Single Source #6713**, for a two (2) year period beginning April 1, 2026 through March 31, 2028, in the **amount of \$260,000**, for a total amount of **\$650,000**.

### **RFP #6981 SUMMARY: SAILING CENTER BOATER WI-FI AT LAKEFRONT RESERVATION**

#### **Background**

Cleveland Metroparks solicited proposals from qualified vendors interested in entering into a contract to provide wireless coverage including the installation, configuration, and maintenance of a Wi-Fi system for the docks at the East 55<sup>th</sup> Marina. Installation of the Wi-Fi system will occur in 2026. Support and maintenance of the Wi-Fi system will be included in a three-year contract starting in 2026 and ending in 2029.

#### **Proposals Received**

In December of 2025, Cleveland Metroparks issued RFP #6981 Sailing Center Boater Wi-Fi at Lakefront Reservation. Five (5) vendors responded, but one was disqualified for failing to provide any documentation. Responsive vendors are listed below with the evaluation criteria/scores.

Vendor	Vendor capabilities/expertise (40%)	Overall Cost (30%)	Plan & References (20%)	Local Presence (5%)	Core Values (5%)	Total Score
Access Agility	30%	20%	10%	0%	5%	65%
Scientel Solutions	10%	30%	10%	5%	5%	60%
Tricon Services, LLC	35%	10%	20%	0%	5%	70%
Untangled Technology	20%	25%	10%	5%	0%	60%

#### **Evaluation of Proposal**

Cleveland Metroparks considered several criteria for each proposer relative to the solution they put forth to satisfy the requirements of the respective RFP. The primary requirement was to ensure that the respective bidder understood marina specifications and had previous marina Wi-Fi installation and maintenance experience, including but not limited to, the ability to discuss water reflection, boat hull types, and knowledge of general marina construction. While some of the proposed vendors had similar experience with technical Wi-Fi solutions, only one vendor had both the technical expertise and the marina experience, including knowledge about the difficulties of installing and maintaining a Wi-Fi system in a marina environment.

As a result, Cleveland Metroparks selected Tricon Services, LLC based on its submittal of the best proposal in response to RFP #6981.

#### **COST SUMMARY**

Item	Cost
Total Parts & Materials	\$69,620
Total Installation & Engineering Labor	\$108,000
Contingency (not scored)	\$25,000
<b>TOTAL</b>	<b>\$202,620</b>
Managed Service Cost (\$6,120 to be paid annually over 3 years)	\$18,360

**AWARD OF BIDS/RFPs/CO-OPS/SINGLE SOURCES (cont.)**

Optional: Boater Help Desk Program (\$600 base + \$1.00 per boat slip at 365) at \$5,790 paid annually	\$17,370
<b>TOTAL + Maintenance &amp; Help Desk Support</b>	<b>\$238,350</b>

Although the amount proposed for the initial installation and configuration of the Wi-Fi system is \$177,620, an additional \$25,000 contingency will be added for changes in the scope of the work or additional design changes that may be needed during the initial term of the agreement. In addition, the annual maintenance and support (Managed Service) is \$18,360, of which \$6,120 will be paid annually along with the optional Help Desk Program at a cost of \$17,370 of which \$5,790 will be paid annually over the course of the three years.

Based upon the selection criteria outlined above and extensive evaluation of all proposals, Cleveland Metroparks recommends Tricon Services, LLC for the Wi-Fi System at the East 55<sup>th</sup> Marina as it offered the most comprehensive technical solution and is the best candidate based on their previous marina work and knowledge. The initial term of the agreement shall be for three (3) years beginning February 1, 2026 through January 31, 2029 with an option to renew for up to a two (2) year period at the sole discretion of Cleveland Metroparks.

**RECOMMENDED ACTION:**

That the Board authorize the Chief Executive Officer to enter into an agreement, in a form approved by the Chief Legal & Ethics Officer, between Cleveland Metroparks and **Tricon Services, LLC** for the best proposal, as summarized above and maintained in the proposal file for RFP #6981 Sailing Center Boater WiFi at Lakefront Reservation, for a three (3) year contract **in an amount not to exceed \$238,350** in the initial term. The initial term shall commence February 1, 2026 and continue through January 31, 2029 with an option to renew the Agreement for up to a two (2) year period at the sole discretion of Cleveland Metroparks.

**SINGLE SOURCE #7001 SUMMARY: 2026 MARINE FUEL** for resale at East 55<sup>th</sup>,  
Emerald Necklace and Wildwood Marinas

HIGHLIGHTS AT A GLANCE
2025 Expenditure - \$397,827.00
2026 Estimate - \$500,000.00

**Background**

Since 2014, Cleveland Metroparks has purchased marine fuel for resale (87 Conventional without lead or ethanol) for East 55<sup>th</sup> Marina from Great Lakes Petroleum; Cleveland Metroparks added that service at Emerald Necklace Marina in 2016 and Wildwood Marina in 2020.

Great Lakes Petroleum provides a high-quality additive called ValvTect, which is an industry leader in fuel additives for marine engines. Boaters recognize that utilization of ValvTect products prevents ethanol/gasoline related problems by keeping moisture in suspension and preventing bacteria and other microbiological growth. This, in turn, improves engine performance, reduces fuel consumption, and minimizes harmful exhaust emissions.

Research by Cleveland Metroparks staff found an overwhelming majority of Great Lakes boaters prefer to purchase and utilize fuel with the ValvTect additives to keep their engines sound and free from failure. ValvTect's strict regulations for its product cause limited access to suppliers to be sure that those it authorizes can maintain its standards.

ValvTect can only be sold by Certified ValvTect Marine Fuel Distributors that meet strict quality control specifications when adding this product to 87 Conventional Fuel without lead or ethanol. There are several fuel distributors in Ohio; however, Great Lakes Petroleum is the only distributor in the City of Cleveland that holds the ValvTect certification. Cleveland Metroparks will follow the pricing set by OPIS (Oil Price Information Service), which is the oil industry index used to verify base prices submitted by suppliers and will hold the additive cost per gallon at ±\$0.04.

Cleveland Metroparks staff recommend continuing the purchase and supply of marine fuel with the ValvTect additive from Great Lakes Petroleum.

**RECOMMENDED ACTION:**

That the Board authorize the purchase of marine fuel (87 Conventional Fuel without lead and ethanol that has been treated with ValvTect marine-additive products) as per Single Source #7001, as noted in the summary above, to be supplied on an as needed basis for the 2026 boating season, from certified distributor **Great Lakes Petroleum**, for a **total cost not to exceed \$500,000**, for dispensation/resale at the East 55<sup>th</sup>, Emerald Necklace and Wildwood Marinas. In the event the log of consumption approaches 90 percent and is likely to surpass 100 percent of the estimate during the approved time period, an action item will be presented to the Board requesting an estimated increase.

**INFORMATION/BRIEFING ITEMS/POLICY.****(a) *Project Update – Rocky River Nature Center Erosion Protection***

*(Originating Sources: Sean E. McDermott, P.E., Chief Planning & Design Officer/Andrew Stahlke, Project Developer)*

The Rocky River Nature Center Erosion Protection Project in Rocky River Reservation (the “Project”) will provide bank stabilization along the Rocky River to protect the existing nature center and its viewing deck. KS Associates undertook a design process to evaluate multiple alternatives before advancing and refining the current design as the most appropriate for the location and conditions.

The Project will include the construction of a new armor stone revetment and three curved stone weirs at the base of the Rocky River Nature Center overlook. A section of the river will also be dredged to encourage water to flow away from the bluff. The dredged material will be reused as earth fill between the weirs and planted with riparian vegetation to further stabilize the toe of the bluff and provide wildlife habitat.

Cleveland Metroparks staff is currently soliciting bids for construction of the Project and expects to bring a recommended action to the Board for award of a construction contract in February or March of 2026. Construction is anticipated to start in late Spring 2026 and be completed by the end of the year. Staff will provide an update to the Board regarding the design and forthcoming construction of the Project.

**(b) *Project Update – Emerald Necklace Marina Kayak Drop-off and Launch***

*(Originating Sources: Sean E. McDermott, P.E., Chief Planning and Design Officer/Conner Karakul, Landscape Architect)*

Staff will present an update to the Board on the Emerald Necklace Marina kayak drop-off and launch project in Rocky River Reservation (the “Project”). The Project involves improvements to the circulation and access of the vehicular boat launch at the Emerald Necklace Marina. Partial funds have been awarded from the Ohio Department of Natural Resources Office of Coastal Management – Coastal Management Assistant Grant and through the State of Ohio – Ohio Trails Partnership program. The Project, planned for construction in 2026, will add a designated vehicular drop-off lane for paddlers for kayak drop-off and will also include improvements to the location and sequencing of the public kayak launching process downstream of the boat ramps.
