

WASHINGTON RESERVATION

PARK PLAN

SEPT 2025

OVERALL NOTES

- Update amenities and programs to optimize use by surrounding neighborhoods and increase active use of the park

SLAVIC VILLAGE DOWNTOWN CONNECTOR TRAIL SOUTH

- Continue coordination as the City of Cleveland constructs of the Slavic Village Downtown Connector Trail South
- Include wayfinding and a small trail node at the intersection of E. 48th Street and Independence Road
- Partner to improve bike and pedestrian links identified in the Cuyahoga Greenways Plan

NORTH OPEN AREA

- Continue to maintain mowed field

ARBORVIEW PICNIC AREA

- Add flush restroom
- Consider adding fitness elements
- Create loop trail

CURRENT WORK SITE

- Continue to coordinate current NEORS construction through 2027 and the implementation of site improvements upon completion

EXPANDED PARK CORE

- See Area Plan for areas added to the park in 2023
- Explore repurposing existing structures and improve site circulation

WASHINGTON BLVD STREETSCAPE

- Add street trees and crosswalks along Washington Blvd
- Update triangular island and USS Maine Memorial

DRIVING RANGE, CLUBHOUSE, AND PARKING

- Explore opportunities to expand driving range and parking capacity
- Renovate bunkers and greens

FIRST TEE

- Continue coordination for programming needs
