Walker's Map

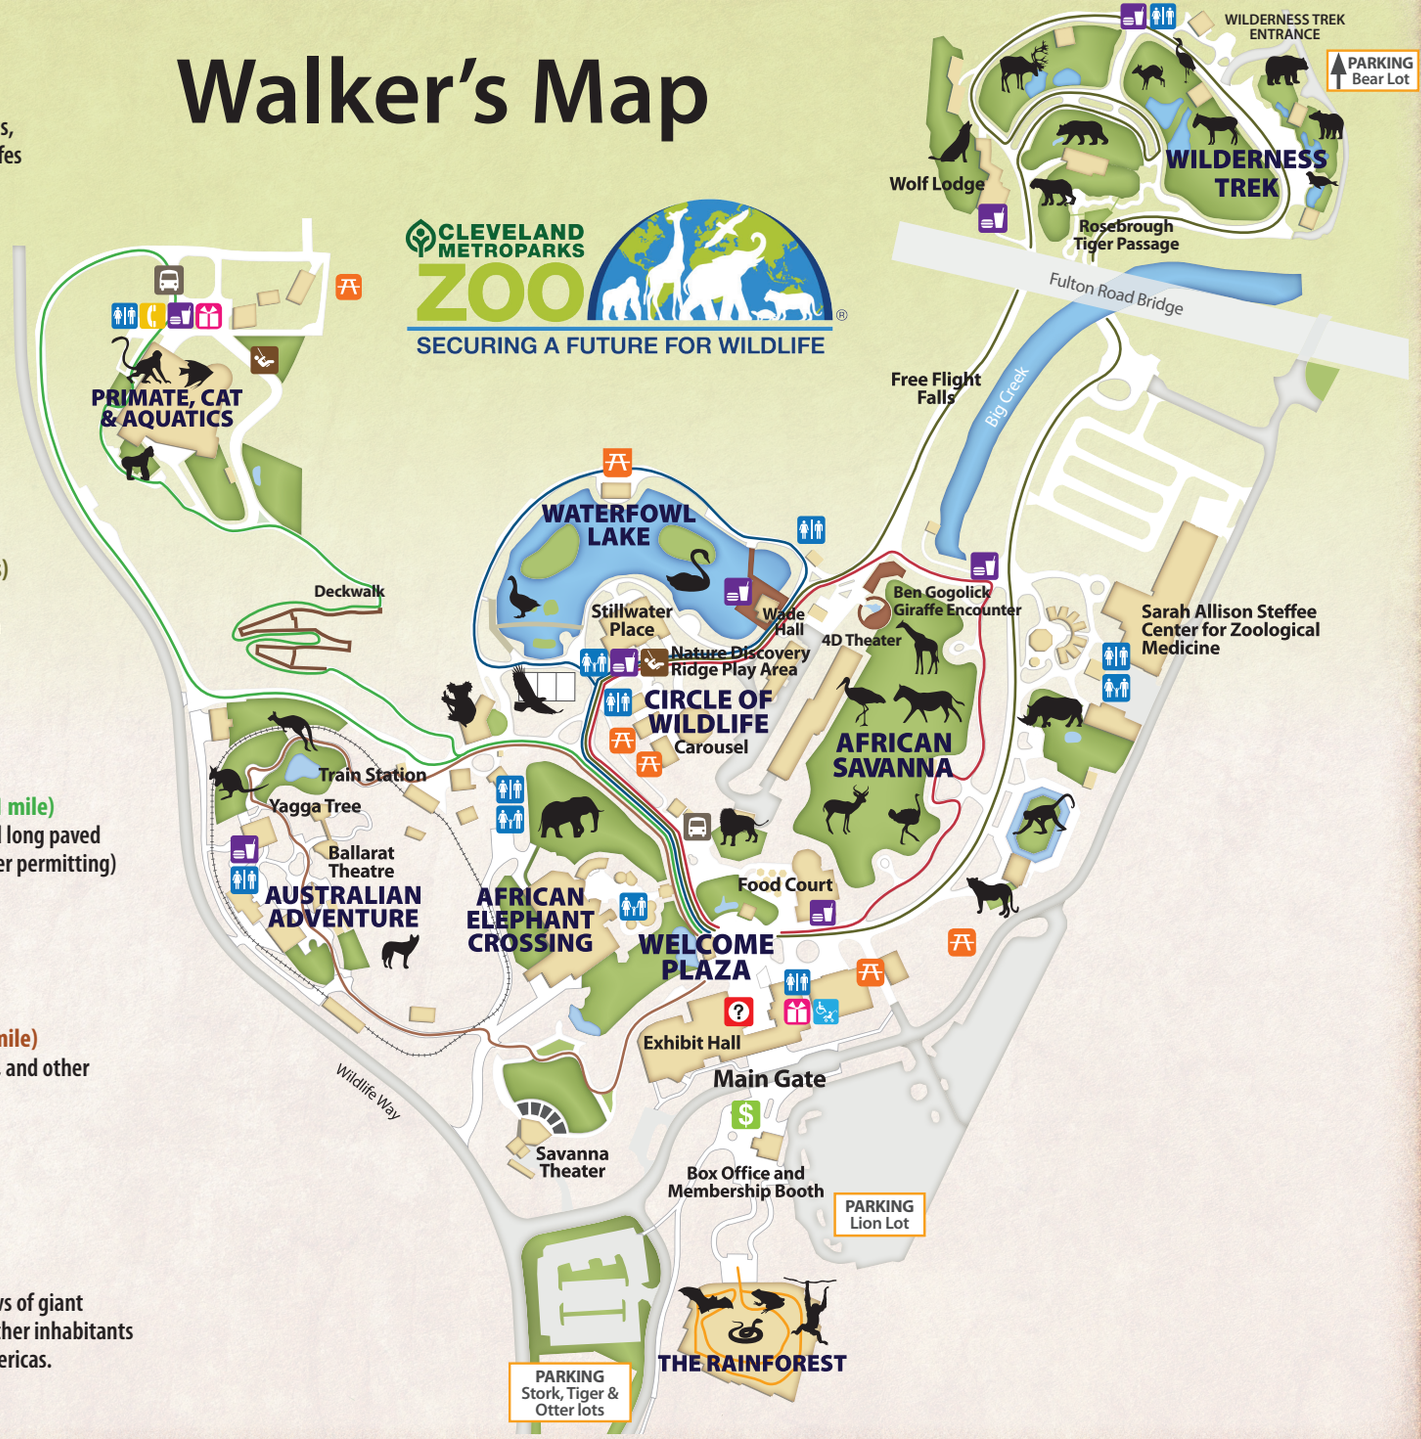
Legend

African Savanna Loop Trail (.5 mile)
Primarily level trail with views of zebras, lions, and other natives of Africa. Incline near giraffes and birds of prey.

Waterfowl Loop Trail (.5 mile)
Lovely, wooded trail meandering around the lake. Views of trumpeter swans and other native birds.

Wilderness Trek Loop Trail (1.25 miles)
Mostly level trail winding past bears, Amur tigers, and other inhabitants of the Northern climates. Incline near birds of prey.

Primate, Cat & Aquatics Loop Trail (1 mile)
Challenging trail with inclined deck walk and long paved hill. Views of outdoor gorilla exhibit. (Weather permitting)

Australian Adventure Loop Trail (.5 mile)
Mild trail winding past wallabies, kangaroos, and other inhabitants of the Outback.


The RainForest (.5 mile)
Two levels of indoor tropical jungle with views of giant anteaters, Bornean orangutans, and many other inhabitants of the rain forests of Africa, Asia, and the Americas.
