

2026 Service-Learning Volunteer Position

5 service-learning positions will be available during the 2026 summer break (Mid-May through early August). No experience is needed, and training is provided for those with an interest in exploring the natural resources profession.

These unpaid positions provide a variety of hands-on field experiences and develop skills in areas such as invasive plant management, native plant installation and maintenance, and green infrastructure maintenance. *If comfortable with herbicide application, students may become an Ohio Trained Serviceperson in herbicide utilization.*

Volunteers will report to West Creek Management Center located at 1969 West Ridgewood Drive, Parma. The center is 0.3 miles from an RTA bus stop on Routes 53-53A.

Requirements

- A minimum 40-hour commitment including 6+ hour blocks of time on Tuesdays and Wednesdays (priority will be given to applicants committing greater amounts of time)
- Interest in and enthusiasm for learning about a natural resources career
- Positive disposition and strong work ethic
- Willingness to work in adverse weather conditions including rain, high or low temperatures, high humidity, insects, and difficult terrain
- Ability to walk up to 2 miles daily in challenging terrain
- Ability to carry a 30-pound pack for 4 hours a day
- Willingness to learn a variety of land management techniques including how to safely operate relevant tools and equipment
- Willingness to carry out responsibilities in a safe and efficient manner
- Compliance with Cleveland Metroparks policies
- Equipment provided by volunteer: a durable water bottle, sturdy outdoor footwear and pants
- Must be 18 years of age or older upon start date

Applications: Applications must include both a cover letter and a resume to be considered. Submissions are due no later than 5 pm on Friday, April 17th, and can be submitted [here](#). Any questions regarding the position can be emailed to Valerie Carter-Stone at vcs@clevelandmetroparks.com.
